BITS and PIECES

ASSHOLE OF THE MONTH

Every Skid Row dive has its resident expert on world affairs. The tongue-chewing rummy babbles wet-brain conspiracy theories as piss runs down his leg and sops into the sawdust at his feet. Eyes swollen to red slits, he tugs at the elbows of his fellow juicers to point out Communists in the spittoons. He buys strangers drinks so they will listen to his alcoholic ravings about murder in the White House. He corners listeners in the latrine, where he chews urinal mints, claiming they are hidden microphones. Does he offer to suck the cock of any man who agrees to stand still for five minutes of his paranoid rap?

Add \$1 billion in personal wealth and a fancy rehab to this pathetic booze hound, and you have Richard Mellon Scaife, HUSTLER's Asshole of the Month for September 1998.

Scaife is a 65-year-old trust-fund baby, the heir to Andrew Mellon's Gulf Oil, Alcoa and Mellon Bank fortune. Scaife plays no vital role in these businesses. Scaife fashions himself a media baron, but his communications network is confined to a few dinky newspapers in Pennsylvania. Extensions of Scaife's empire, the *Sacramento Union*, the *Pittsburgher* magazine, a Pittsburgh all-news radio station, have all failed.

Scaife has been a loser for a long time. Despite being one of the richest undergraduates in America, he was booted out of Yale after making a drunken fool of himself. The University of Pittsburgh, where Scaife's father was chairman of the board of trustees, allowed young Dick to complete his education, awarding him a bachelor's degree

RICHARD MELLON SCAIFE

in English in 1957.

There is no record of any Scaife accomplishment since that date. He has achieved nothing beyond being born into a mass of money.

Since the early 1970s, Richard Mellon Scaife has compensated for his personal inferiority by functioning as a piggy bank to right-wing zealotry. In 1972, Scaife gave money to 107 Republicans campaigning for Congress and contributed \$1 million to Richard Nixon's reelection effort. Despite this massive investment, Scaife failed to buy himself a meaningful position in the government.

Nobody wants Scaife's intellect, savvy or personality, but right-wing hacks line up for his cash. He dispenses up to half a million dollars

per week from three tax-exempt funds—the Sarah Scaife Foundation, the Scaife Family Foundation and the Carthage Foundation.

Traditionally, conservative philanthropists spend their money to house the arts or fight diseases. Scaife seems happiest when he doles out attack dollars, with millions of them aimed at President Bill Clinton. Scaife has funneled so much money into efforts to discredit President Clinton that he could have bought a lifetime supply of Wild Turkey for every whore and pimp in Arkansas, and maybe he has.

Richard Scaife is a key funder of the \$2.4 million Arkansas Project, a four-year campaign organized through the *American Spectator*

magazine to smear Clinton. After the *Spectator*, which has been the recipient of at least ten million Scaife dollars, brought Paula Jones out from under her rock, Scaife money supported a foundation that assisted Jones in her lawsuit against Clinton.

On related fronts, the lawyer for amateur wiretapper Linda Tripp worked on a Scaife-funded lawsuit against CBS. Former FBI agent Gary Aldrich's book, *Unlimited Access*, chock full of unsubstantiated dirt on Clinton, was published by a press subsidized by Scaife. The Scaife-owned Pittsburgh *Tribune-Review* has exploited theories that the suicide of Clinton advisor Vince Foster was a murder orchestrated by the White House.

There are reports that David Hale, an ex-judge convicted of fraud and the primary Whitewater witness against Clinton, received payments of Scaife money. Whitewater prosecutor Kenneth Starr initially accepted a job as dean of Pepperdine University's School of Public Policy. Scaife donated more than \$1 million toward establishing that school.

Clinton, good and bad, is the polar opposite of Scaife. Our President climbed from nowhere to the highest office in the Free World. He rose on brains and hard work, two virtues wholly alien to Richard Scaife.

Richard Scaife calls himself a conservative. What is conserved when one man entangles the government in four years of pointless diversion? Scaife's seditious behavior is destructive to the American people's right to elected representation. He is an unpatriotic, buffoonish Asshole.

John Stagliano: HUSTLER readers were shocked to read in our August 1997 edition that XXX auteur John (Buttman) Stagliano had contracted the AIDS virus by taking a Brazilian transvestite's cock up his unprotected ass. A March 1998 *Bits & Pieces* parody, "Buttman's Sao Paulo AIDS-Venture,"

FART IN THE WIND

recreated the scene. Buttman now refuses to send Evil Angel videos to HUSTLER for review. John's reasons: "HUSTLER is racist. I don't like the way [Larry Flynt] treats women. [HUSTLER] caters to white trash and people of low intelligence. It's amazing that you

would think there are no consequences to your actions." Larry Flynt is currently standing trial defending the right to sell an Evil Angel tape in which women are slapped and spat on. If John better considered the consequences of his actions, he might not be an infected Asshole today.

Back in the Old West, young cowgirls walked around with real guns, as seen in this pic from way back yonder. These two sly hussies know that their cheap toy pistols are not enough to hold off any groping attacks from cowboy breast men.

For his bravery and good taste, J. Lyons of Garrettsville, Ohio, will be collecting \$150 in the near future. Send wild chest photos from frontier lays to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Déjà Flue?

Take a good look at this photo of Roseanne Barr. Now study this beguiling image of a poolside love-in culled from an old amateur-nudist magazine. Could it be that beneath Rosie's heavy rolls of pasty flesh there once lived a free-spirited fuck bunny whose happy beaver was a welcome addition to any secluded diving board? We may never know the true identity of the naked girl by the pool, but at least we can dream that an old, nude photo of Roseanne Barr would have been a picture worth jerking off to.

FEED BACK

Crack and Whip

The dark-skinned dominatrix in the July 1998 issue turned me on more than any other girl I've ever seen in any adult magazine (*Cheri: Humiliation Academy*). Staring at her caramel-colored body, I can almost taste her sweet skin and tangy pussy. I wish Cheri would sit on my face for an all-night tongue lashing. —R. F.
Barstow, California

Mix-and-Match Muffs

Congratulations to HUSTLER for supplying the sexiest girls on the market in the July issue. Baby-soft Iris looks both innocent and beautiful (*Iris: Erotic Acrobat*). HUSTLER should shoot a girl/girl set with Iris and the experienced-looking blonde from the May 1998 issue (*Angie and Summer: Noble Savages*). These two would make a great combination and fulfill this pussy connoisseur's wildest fantasies. —C. B.
South Charleston, West Virginia

Pissy Fit

Fantastic! June HUSTLER arrived and soaked my doorstep. I flipped through the pages and found Daisy squatting and spraying a stream of amber urine from her pink folds (*Daisy: Fetish Peddler*). Clive McLean does a superb job capturing the moment. America's Magazine stayed true to its promise. The greedy bastard that I am, I want more. The one set of squirting Daisy is worth the entire price of the magazine. Please continue to publish HUSTLER Honeys pissing in every issue. —D. D.
Cleveland, Ohio

Pissing Off Readers

As a faithful reader, I thank HUSTLER for an excellent June 1998 issue. The spread of Daisy impressed the hell out of me (*Daisy: Fetish Peddler*). Clive McLean shot these photos from perfect viewing angles. The color looks superb. I will keep the pictures of Daisy forever. —W. W.
East Hartford, Connecticut

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Wee-Wee Glee

My June issue arrived. What an issue! The highlight for me is pretty Daisy going pee (*Daisy: Fetish Peddler*). The nasty scene of the sizzling blonde pulling up her skirt, spreading her thighs and squirt-

ing a yellow stream down the steps kicks ass. The rest of the issue packs a knockout punch. HUSTLER displays penises pushed in mouths (*Trey and Teresa: Holistic Hootch*), fists crammed in pussies (*Cheyenne: One Dick at a Time*) and a baton buried deep in tight snatch (*Holly and Heather: Crimes Against Nature*). All this hard-core action comes for a great price! Keep up the good work. —P. R.
Detroit, Michigan

Stream of Thought

Gentlemen, I am terribly impressed. The June '98 issue of HUSTLER pushes the boundaries of hard-core to the extreme. Daisy (*Daisy: Fetish Peddler*) and Cheyenne (*Cheyenne: One Dick at a Time*) were pure erotic pleasure. The boy/girl set (*Trey and Teresa: Holistic Hootch*) shows full oral penetration, leaving nothing to the imagination. The cartoons, the social commentary and the sexiest women make HUSTLER number one in the world. Keep printing. I'm going to keep buying. —M. E.
Weatherford, Texas

Pee the World

HUSTLER delivers the best bitches and finest cunt. The June '98 issue is a perfect example. I opened the magazine and found Daisy (*Daisy: Fetish Peddler*) spreading her gash and flashing her meaty

Emily and MaryAlice: Lust Farm

asshole. I turned the page. Daisy pees down the stairs. I shot my wad like a cannon. I cleaned up and worked on some reports. An hour later I went straight back to Daisy. She teased me with her perfect clam and delectable toes. I dumped a second load as she stuffs a dildo into her wet cunt. Thanks for hooking me up with Daisy. She's the girl of my wet dreams.

—M. F.
Topeka, Kansas

Thanks for the gushing gratitude. Readers may relieve themselves with the squat-shot in *Emily and MaryAlice: Lust Farm* on page 30. HUSTLER promises more bathroom breaks in upcoming issues.

The Yellow Dick Load

HUSTLER keeps blowing the competition away. The June '98 issue is fantastic, especially the blond fetish goddess (*Daisy: Fetish Peddler*). I love to see women squeeze golden nectar from their hot, pink pussies. The dildo shot really made the pictorial complete. I have one suggestion for a unique squatting set. Why not show hirsute Jill going to the bathroom (*Jill: Jungle Bush*, Holiday Issue '97)? Drops would cling to her wild pubes.

—J. M.
Hoylehurst, Mississippi

Sounds like you know how to tend Jill's garden. Just don't plant the seeds of a dingleberry bush.

HUSTLER's Amazing Feet

Thank you for another wonderful issue of HUSTLER. The girls of June 1998 are fabulous. I especially enjoyed Daisy peddling her yellow fetish (*Daisy: Fetish Peddler*). Daisy stars in many of my one-fisted porn shoots. The best part about Daisy's pictorial wasn't the piss, but her feet. HUSTLER featured Daisy's pretty peds, right down to her painted toenails.

—R. S.
Monticello, Kentucky

Sole Doubt

I worship feet. I love to masturbate to beautiful, shoeless women. I immediately become erect when I think about the sexy curve of the arch and sweet-smelling soles. Am I a sick individual? Should I seek professional help?

Lowell, Massachusetts

You certainly should, M. J. We recommend the professionals at HUSTLER's LEG WORLD. They specialize in podiatry, gynecology and sex therapy. Call 1-800-386-7595 to make a monthly appointment.

Isolated Experience

When is HUSTLER going to start making videos like *Playboy* and *Penthouse*? Larry Flynt would make millions. Flynt's videos would be better and harder than all competitors.

—J. P.
Fort Leonard Wood, Missouri

Enjoy your stay in the sensory deprivation chamber, J. P.? Call 1-800-566-5760 to order HUSTLER videos.

Assholier Than Thou

HUSTLER is a bunch of hypocrites for making Bill McCartney "Asshole of the Month" (*Bits & Pieces*, March '98). McCartney and his Promise Keepers assemble peacefully in Washington, D.C., and fight for family values. Larry Flynt floods Washington with free smut subscriptions. Who's really imposing their twisted values on America?

—A. J.
Reston, Virginia

America values HUSTLER for twisting

the truth out of an alcoholic philanderer, who after two decades of neglecting his bulimic wife, dysfunctional kids and bastard grandchildren, decides to preach family values.

Drink in Drag

I have been a loyal fan of HUSTLER for years. America's Magazine is my favorite. I have a complaint about an article written by Chris Seymore in the January 1998 *Sex Play* ("Drag Is Racing Across America: Cross-Dressing Crashes the Mainstream"). Seymore mentions a club called 3rd Sex for transsexuals and transvestites on Manhattan's Lower East Side, but neglects to include any other information. Could HUSTLER send me the address?

—M. C.
Cape Vincent, New York

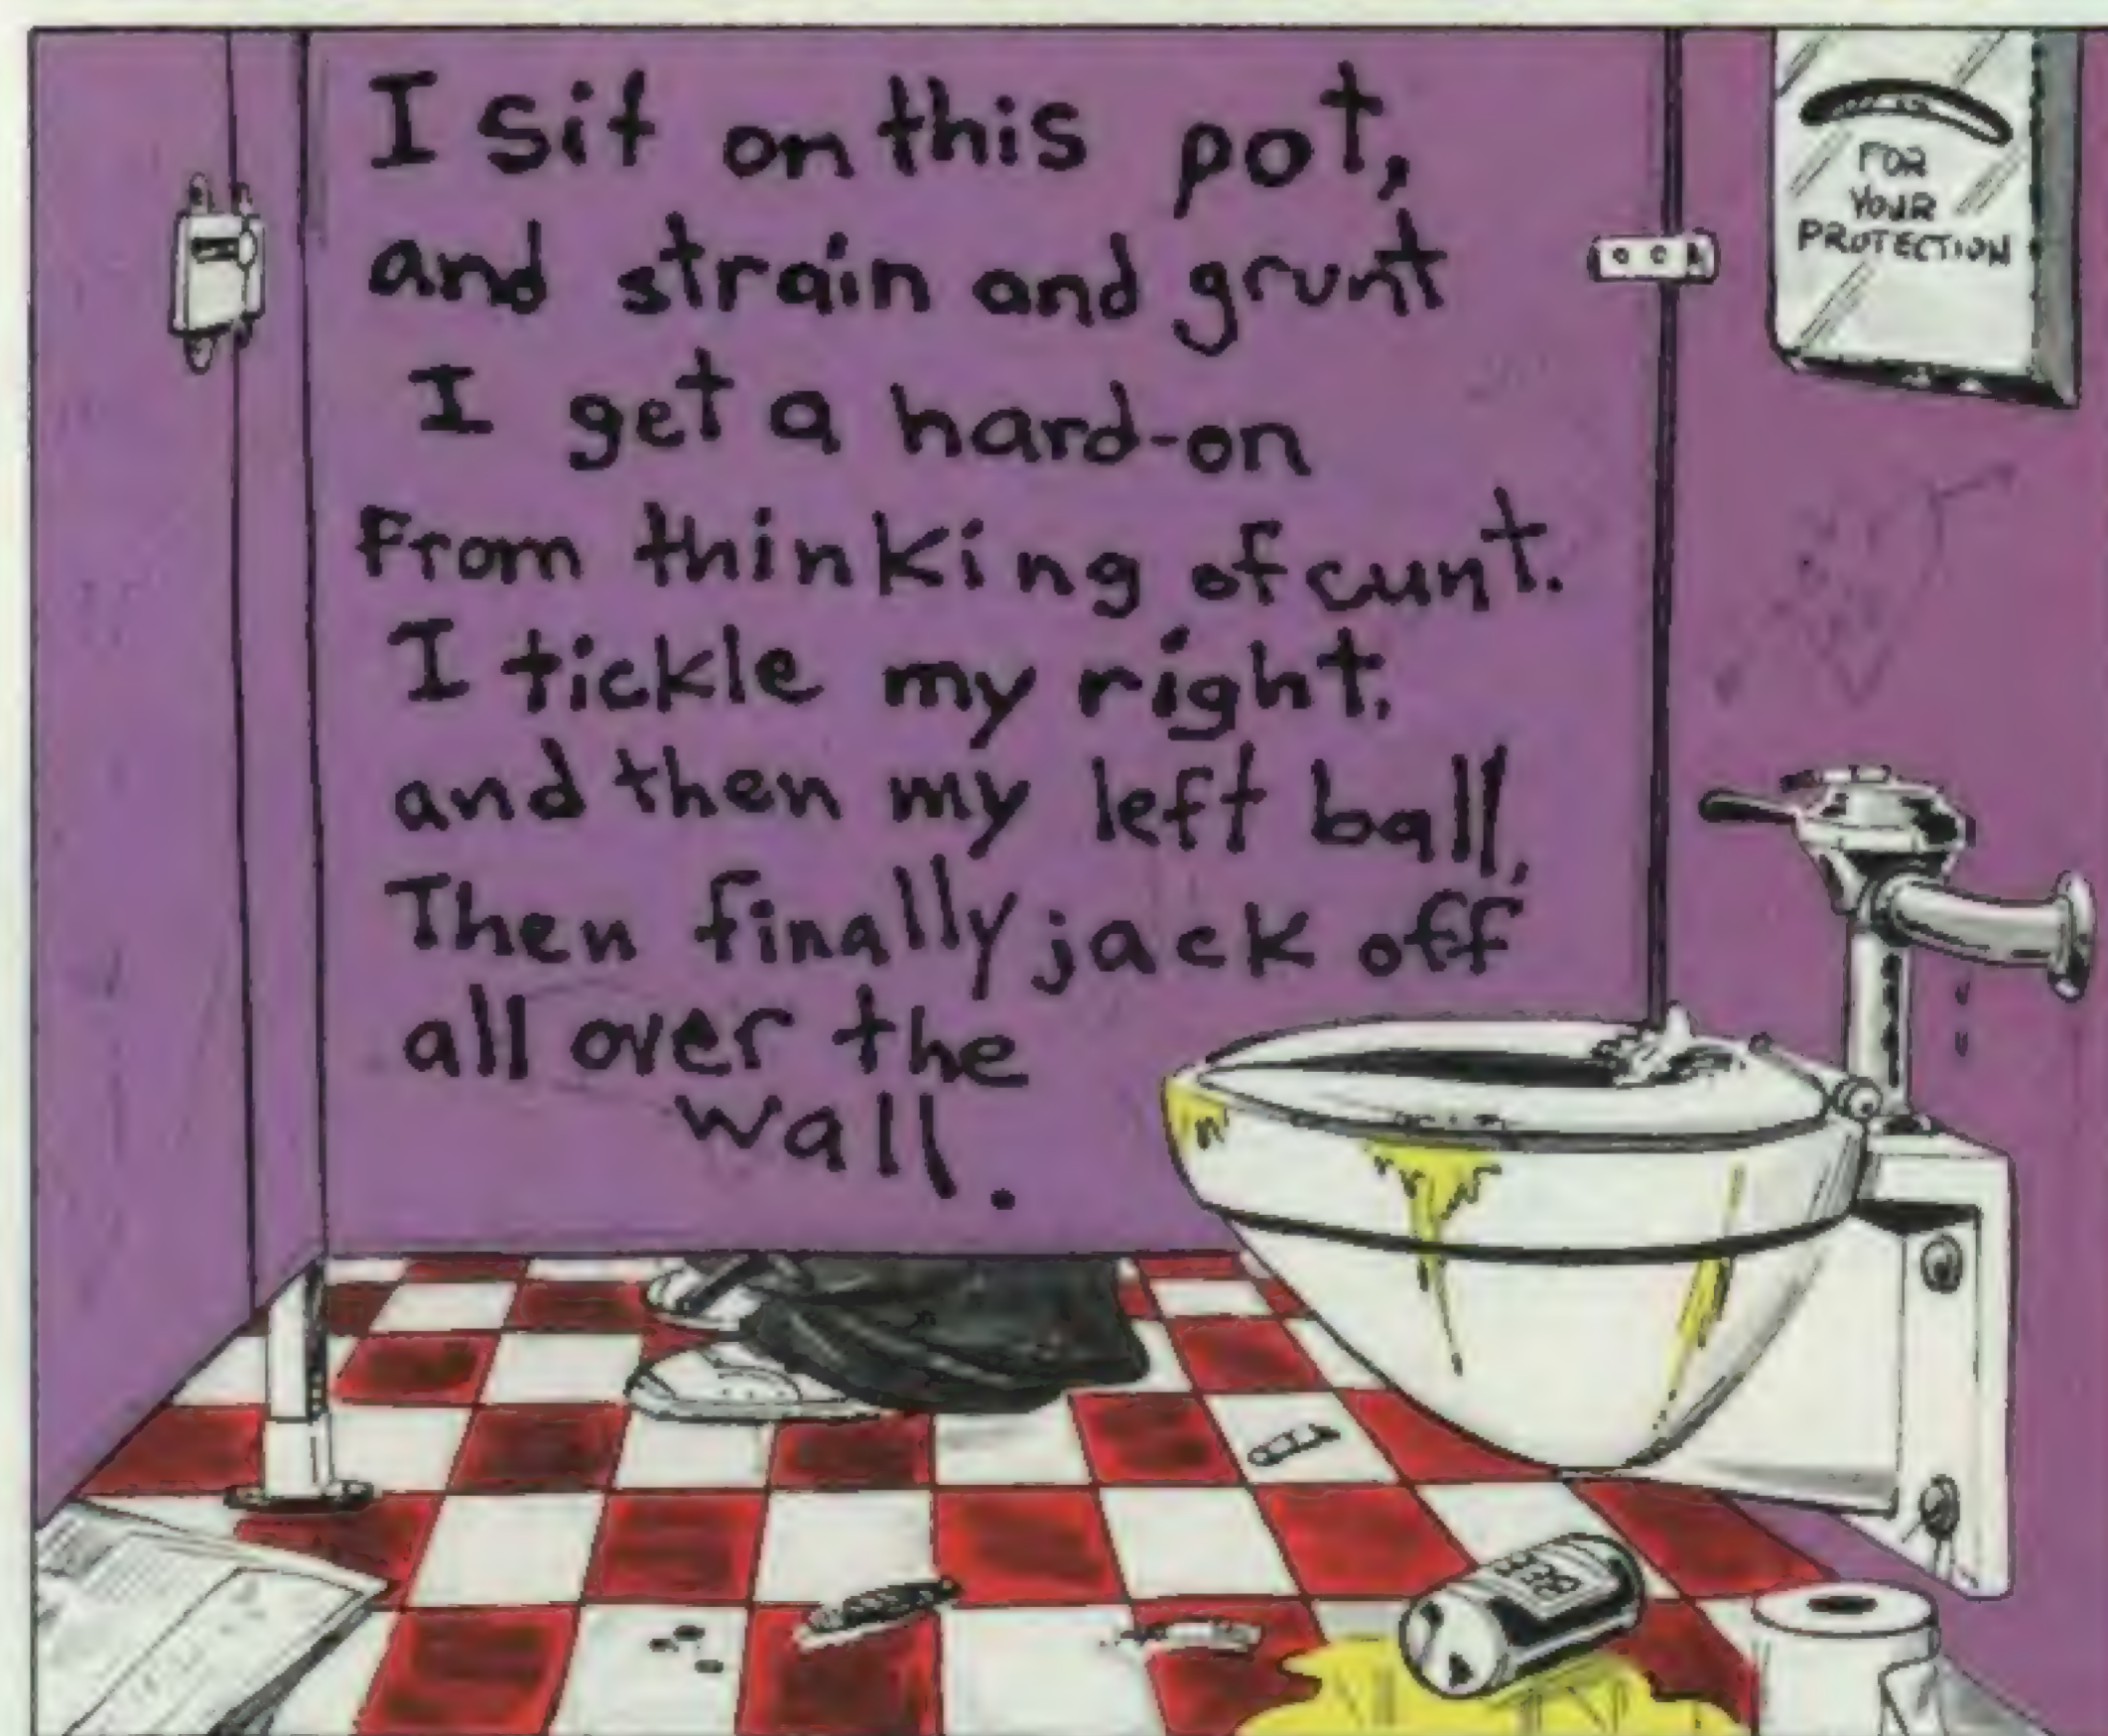

Follow the queue of sexy, well-muscled women with bulges in their throats and evening gowns.

Hole Lotta Love

I wanted to thank HUSTLER for selecting Dr. Laura for "Asshole of the Month" (*Bits & Pieces*, May '98). She is one rude bitch. She insults the very people that support her show and ask her advice. Dr.

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

CELEBRITY SKINS

I've read several articles about celebrities, such as Charlie Sheen, fucking porn stars. Have you slept with many movie stars? Were they any good in the sack? —D. C. Amherst, Virginia

In Hollywood, porn, rock and movie stars run in the same social circles. I've fucked several celebrities. I don't consider myself a star fucker. A person has ten minutes to impress me as a human being. I don't care about credentials or resumé's. Plenty of rich and famous actors are assholes, losers and lousy lays. Scandal sheets offer me money for bedtime stories. I always turn them down. No one respects a woman who kisses and tells.

CALL AND COLLECT

I am a soldier in the military. My girlfriend lives on the other side of the world. I'm really horny, but I want to stay faithful to her. What is the best way to engage her in phone sex? —R. M. Via Internet

Your girlfriend needs to be relaxed and comfortable to make long-distance love. If she feels silly or awkward, the words and images will offer no pleasure. Create the proper mood by speaking softly and seductively, as if whispering secrets in her ear. Call at bedtime, when she's not preoccupied with workday worries. Make her feel desirable and sexy by describing a romantic scenario. Include details about the lingerie she's wearing and the smell of her perfume. Explain how you'd like to touch her body. If live conversa-

tions fail to arouse, make audiocassette recordings. Sex on tape isn't as spontaneous, but the two of you can listen and masturbate when the mood strikes.

TWO WAYS TO WRONG

Why do women say one thing and always mean another? Please make your explanation as easy to understand as possible. —B. H. Ballwin, Missouri

Many women function on two levels: what they say and what they mean. These women unfairly expect men to decode their true intentions from conflicting information. Ask specific questions when dealing with a schizophrenic girlfriend. Continue to question until you receive an understandable reply. Glitches in the female psyche annoy women as well as men. I have few female friends. Shopping and gossiping invariably give me a headache. I best communicate with women under the sheets.

GAG RULE

I watched a porn video where a woman took a huge cock into her mouth and

down her throat. How do women in the industry avoid gagging when the dick pokes their tonsils? —N. B. Manasquan, New Jersey

Starlets that deep-throat dick in porn videos learned their skills from me. I am the undisputed champion of cocksucking. Speaking from experience, a flesh staff stuffed down your throat makes you gag, regardless of talent. The best position for deep-throating dick is to have the man lie on his back. The woman sits on his face and leans over. Most meat swords curve upward or to the side. Perched on top, the woman controls her head positioning and gauges her cock intake. As the pecker hits the back of her mouth, she flexes the throat muscles as if she's slowly swallowing. She allows the cock to gently enter the esophagus. The first few attempts will produce teary eyes and a snotty nose. A skilled pole smoker knows to go at her own pace. She uses the super-slimy spit from the back of her throat to coat the shaft. A good blowjob incorporates several techniques. Swirl the tip of the cock with the

Dream Catcher

THREE-QUARTERS
ERECT

Directed by Michael Ninn;
starring Helen Duval, Alice, Jill Kelly,
Roxanne Hall, Crystal Knight, Monique,
Naomi, Colt Steele, David Steel,
Jeremy Steele, Jake Steed, Ian Daniels,
J. J. Michaels, John West and Eric Price.
Videocassette: VCA.

Helen Duval's bloody-beef-red cunt flaps fill the opening frames of *Dream Catcher* as two fat trouser tubers burrow into her bottom holes. One assailant grips Duval's fat milkers; the other grabs a fistful of her platinum hair. The goons rough-stuff the soft muff long and hard in a back alley. Michael Ninn finally achieves the right balance between high-style visualization and hardcore sleaze. Sharp-resolution views of rain droplets dancing onto Jill Kelly's glistening ass moons slide across the screen as a predatory prong drops from the night sky and invades her bowels. Disco dykes in vinyl slicks and acid-trip-hallucination-colored wigs munch mounds to a crazed beat. More asses are crammed. Roxanne Hall, who seems to be aging backward, adding appeal with each new degradation she undergoes on-screen, is blindfolded and double penetrated. *Dream Catcher* elevates cornholing to an art form. —MackAssarian

DREAM CATCHER: Hall gnaws bones.

DREAM CATCHER: Disco dykes.

DREAM CATCHER: Kelly, schwinged in the rain.

Own Your Own Cunt

Any Man Can Fuck a Porn-Star Beaver

The HUSTLER Toy Company is selling top-grade skin-star pussy.

Jenna Jameson, Chasey Lain, Rocki Roads, Nici Sterling, Rayveness, Shayla La Veaux and Charlie have all immortalized their clams in high-grade, state-of-the-art, lifelike replicas.

A recent visit to the HUSTLER labs finds green-eyed bombshell Charlie spread-eagle on a metal gurney. Vaginal technicians hover over the XXX starlet's trademark bubblegum snatch, casting an exact mold using an advanced surgical technique.

"Forget everything you know about those old rubber vaginas they used to sell as novelties," boasts the former aircraft engineer who is supervising the top-secret process. "The biomorphic vaginas we're ushering into the market are indistinguishable from the real thing. The only way to go from here will be cloning."

Hours later, Charlie gasps as she

caresses the buttery-soft folds of her new pussy. "My fingers can't tell the difference. It's kind of weird." Charlie giggles, swirling the nub of her second clitoris. "Any guy who wants can fuck me now. I don't even have to consent to it."

Are these new products merely as good as the real thing, or are they even better?

Not even Jenna Jameson's co-stars know what it's like to cram her in the butt, but anyone who buys the Jenna Jameson model can fuck her in the ass as well as in the cunt.

All models are sold with working assholes and pleasure-wave vibration technology. The cost? About 65 bucks. Look for an upcoming line of genuine HUSTLER *Beaver Hunt* nookies, made from the finest next-door snatch available in America.

To order your complete HUSTLER Toys catalog, visit the Web site at www.hustler.com.

The Zone

TOTALLY LIMP

Directed by Paul Thomas; starring Kobe Tai, Dyanna Lauren, Chloe Nicholle, Lexi Eriksson, Ruby, Stephanie Swift, Leah, Gina Rome, Jon Dough, Steven St. Croix, Mickey G., Claudio, Devlin Weed, Byron Long, Vince Vouyer, Tommy Gunn, Michael Hurt, Jason Jenkins, Jay Ashley, Alex Sanders, Paul Stryder and Marcus Day. Videocassette: Vivid.

Despite the mind-blowing balling of fuck goddesses Kobi Tai and Dyanna Lauren, *The Zone* commits a fatal error. Director Paul Thomas's disturbing mondo-hump flick about a run-down sex club breaks the tacit understanding the common man has with his straight porn. In pushing the limits of hardcore, *The Zone* unforgivably includes man-on-man oral sex. Two fags make out and swallow sausage while well-upholstered Lauren munches Chloe Nicholle's brown beaver. The den of depravity displays other distressing scenes. Looking three caps of GHB to the wind, Stephanie Swift blows a lactating she-male's slimy crotch slug. An army of monkey-spanking zombies watches Alex Sanders boff Nicholle's butthole. Her sagging pussy lips flap and flutter like a pink butterfly's death spasm on a strip of poisoned flypaper. *The Zone* is queer. —Mitch Shepard

Shane's World 12: Gone Snowboning

THREE-QUARTERS ERECT

Directed by Shane; starring Shane, Brittany Andrews, Randi Rage, J. R. Carrington, Petra, Billy Glide, Ian Daniels and Dave. Videocassette: Odyssey Group Video.

The infuriating irony of *Shane's World 12* is that Shane herself never participates in the on-camera orgies. *Shane's World 12* hosts a gang of ultra-fine Gen X sluts in a rented cabin at California's Big Bear Mountain. The settings and spontaneous dialogue lend to the pervasive illusion that the fuck footage is of a horny college retreat, not the 12th issue of a highly successful porn series. As the gorgeous girls snowboard and play drinking games, they seem like attainable ass instead of professional fuck dolls. On two occasions, juvenile hijinks deflate the tension of the otherwise superb sex. Billy Glide tears into buxom Brittany's thick slab of ass meat. An anonymous hand flicks a Bic to give Brittany a hot pussy. Brunet beauty Petra and J. R. fuck food in the kitchen. Petra squeezes chocolate syrup into J. R.'s butt. The messy result looks like an exploded colon after a dinner of coffee and chili. Fast forward the goofy shortcomings when blasting off to *Shane's World*. —M. S.

Shades of Blonde

THREE-QUARTERS ERECT

Directed by Jim Holliday; starring Jill Kelly, Shayla La Veaux, Marilyn Star, Shelby Myne, Montana Gunn, Victoria Basque, Mila, Sinderella, Cara Lott, Julie Rage, Wynona Winter, Tom Byron, Michael J. Cox, Nick East, Ian Daniels, Steve Hatcher and Clay Hyde. Videocassette: VCA.

Do blondes have more dumb? *Shades of Blonde* is an X-rated celebration of those chicks reputed to be among the dumbest cunts on Earth. Blondes have their uses, especially the three-input variety, and the cast of *Shades* displays a generally superior ability to extract wad from cunt pokers.

THE ZONE: Lauren promotes racial harmony.

SHADES OF BLONDE: Another day, another DP for Mila.

SHANE'S WORLD: Brittany barks for her master.

L.A. Meat

THREE-QUARTERS
ERECT

Directed by Vince Vouyer; starring Corey, Shawn Young, Angelica, Helena, Ashley, Analyssa, Dee, Mark Davis, Rich, Zack, and Randy West. Videocassette: Odyssey Group Video.

L.A. Meat documents the evolution of a high-school slut into fully developed porn skank. The case study begins with Vince Vouyer introducing 18-year-old Corey. The video virgin shyly genuflects in front of Vouyer's bodiless wang. Corey's coltish exuberance and bratty demeanor become apparent as she cock-teases bloated Mark Davis. To callow Corey, sex is naughty and exciting, not yet a pleasure faked for money. Davis pops penis pudding on her sun-freckled face. Corey skips and dances, vying for the camera's attention as Vouyer plunges in and out of 21-year-old blond Analyssa's tight bunghole. On the other end of the spectrum, Angelica's sloppy silicone sacks drip from her pigeon chest. Her boyfriend listlessly humps her arid crotch hole. Angelica smiles more gums than teeth, looking like the unsightly offspring of Liz Taylor and the Crypt Keeper. *L.A. Meat* sizzles as long as the flesh is fresh. —M. S.

Flashpoint

ONE-QUARTER
ERECT

Directed by Brad Armstrong; starring Jenna Jameson, Jill Kelly, Asia Carrera, Veronica Hart, Missy, Sindee Cox, Johnni Black, Brittany Andrews, Sydnee Steele, Mike Horner, Steve Drake, T. T. Boy, Jonathan Morgan, Mickey G. and Brad Armstrong. Videocassette: Wicked Pictures.

Three things happen as porn stars age: They get haggy, their tits get bigger, and they wind up in big-budget, dialogue-heavy XXX costume clinkers such as *Flashpoint*. Jenna Jameson has not yet completed the journey from young carnal concupiscent to used-up has-been, but from some angles, as she jumps around in a fireman's outfit, laboring over dramatic dialogue and huffing her comrades' hoses, her face seems to be growing a second chin. The action continues. Junk cars burn in a parking lot. Cut to: Two tubby tramps are butt-boned on a couch. Angle on: Fire engines zoom down a street. Jump cut to: Several pairs of botched implants swirl in improbable directions as assorted high-mileage harlots orgy outside a firehouse. Click on: VCR STOP button. Don't get burned. Avoid *Flashpoint*. —M. A.

L.A. MEAT: Analyssa licks meat stick.

FLASHPOINT: Black cleans hoses.

Public Embraces Perversion; Cops Save L.A. From Rampaging Tushy Girls

Erotica L.A., billed as the "largest adult-market and consumer extravaganza in America," was held at the Los Angeles, California, Convention Center from April 17 to 19. The event is an open-to-the-public swap meet of XXX wares, with dozens of blue-screen vixens on hand to push their product.

The city of Los Angeles, which owns the Convention Center, stood to earn tens of thousands of dollars from the event. Despite the city's commercial interest in promoting its booming smut industries, police worked furiously in the days leading up to the filth extravaganza to find a law that would prevent it from opening.

Erotica L.A. kicked off on Friday. It became clear that organizers had seriously underestimated the public's appetite for sexual perversion. The fire marshal turned away thousands in the overcapacity crowd.

Inside the West Hall, more than 100 filth mongers set up glitzy displays shilling XXX tapes, adult toys, bondage gear, fetish wear and Internet sex sites.

"You're all whores, and you're going to die," chanted the usual religious nuts

picketing the entrances.

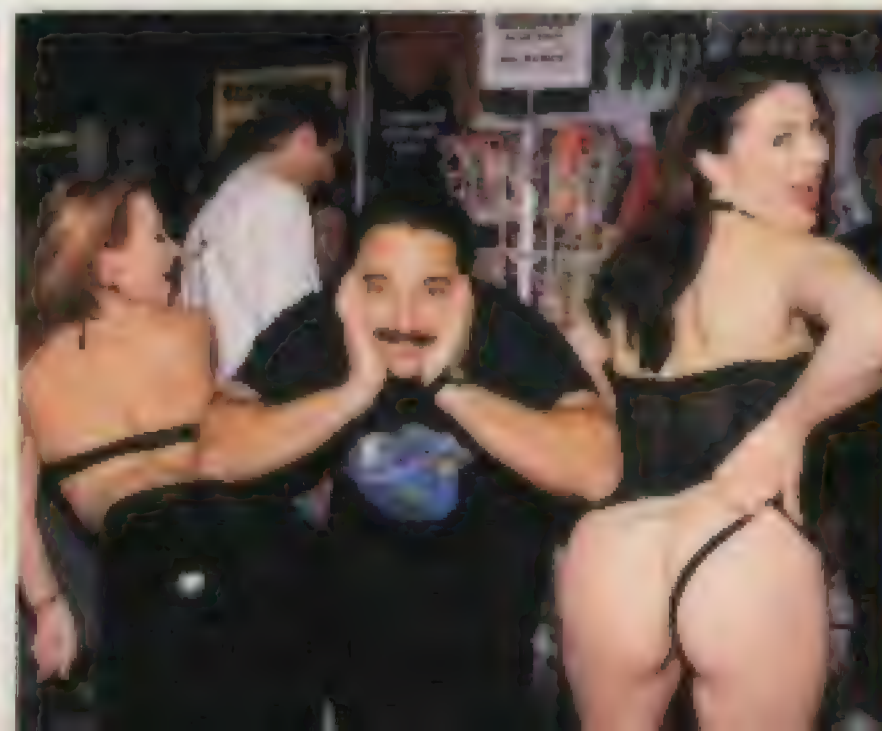

Los Angeles vice cops stalked skin stars throughout the weekend. They arrested Seymore Butts's contract sluts Alisha Klass, Samantha Stytle, Halli Asston—a/k/a the Tushy Girls—for performing simulated lesbian acts during a live demonstration of an Orgasamatic machine, a sort of mechanical bull with a high-speed vibrator coming out from the saddle.

According to Tushy Girl ringleader Samantha Stytle, "The vice cops took us to the station in a beat-up Thunderbird, some kind of undercover car. They charged us with lewd conduct, which is silly. I had my tongue between Alisha's legs, but I swear it never touched her pussy lips."

The following day, the Tushys were back on the convention floor. A fan in line to receive an autographed photo identified himself as an LAPD officer.

"A lot of us in the LAPD are sorry for what happened yesterday," stated the man whose badge number has been lost to posterity. "The vice cops who arrested you are scum."

The Price of an Education

HALF
ERECT

Directed by Simon Goldstar; starring Emily Jewel, Nikki Lynn, Christy Wolf, Dru Berrymoore, Karya, Vince Vouyer, Guy DiSilva, Herschel Savage and Tice Bune. Videocassette: Silver Star Entertainment/Legend.

Blond cupcake Emily Jewel stars in *The Price of an Education* as a money-hungry college girl who becomes an escort. Asking a porn slut to play a whore is like asking a retard to act stupid, and Jewel shines in her hooker role. Jewel teams up with a tattooed, jumbo-uddered cow to chomp on Vince Vouyer's cunt pump in a glitzy, flash-cash love pad. Turd rings are scuppered, throats dick-jammed and smiles scummed. The shadowy, herky-jerky camera work is frequently on the level of a drunken uncle manning the video cam at a Bar Mitzvah. Stuffing saline-packed bimbos into coed-style cardigans, plaid skirts and ankle socks for X-rated romps is an old formula done on the cheap in *The Price of an Education*. —M.A.

Nurse Shanna

TOTALLY
LIMP

Directed by Cash Markman; starring Shanna McCullough, Sadie Sexton, Brittany Andrews, Missy, Shelby Myne, Randi Storm, Randi Lee, Christian Todd, Bobby Bliss, Steve Austin, Jonathan Morgan and Alec Metro. Videocassette: Markman Productions.

While angels of mercy relieving pelvic tension are a porn staple, *Nurse Shanna* infects the viewer with a terminal case of limp dick. A Pepto-Bismal pink hue coats the atrociously unerotic sex scenes. Comedic interludes include a wacky doctor sucking Alec Metro's jizz out of a woman's throat after she botches a blowjob. An angry patient ties a lispng Steve Austin's hairless cock into a knot. In the bath-

room, Austin douses himself and others in urine. Peroxide sluts Missy, Brittany Andrews and Sadie Sexton scar the viewer's libido in a cartoonishly fake threeway lesbo lick-and-stick cunt wreck. Bile rises in place of temperature as Shanna and Ron Jeremy couple. The over-the-hill porn hogs wheeze and sweat as they slap flabby uglies. As sexy and alluring as prostate cancer, *Nurse Shanna* needs euthanasia.

—M.S.

Players Video Magazine Volume 2 Centerfold

HALF
ERECT

Directed by Toni English; starring Naomi, Rachael St. Marie, Johnni Black, Anna Amore, Devlin Weed, Sean Michaels, Vince Vouyer, Mr. Marcus and Santino Lee. Videocassette: Vivid.

Players Video Magazine acts as a cultural ambassador, inviting the viewer to examine the idiosyncrasies of African American erotic entertainment. Although the cheap, claptrap scenery, shitty music, inane plot and bad humor give the impression of familiarity, *Players Video Magazine* notes several unique departures from mainstream porn. After popping the coochie, the backside spuzz dump invariably replaces the cum facial. During the money-shot, black studs shake and cavort as if the nut induced an epileptic fit. Once the viewer acquaints himself with the slight irregularities, he enjoys the multiethnic fuck scenes. Mr. Marcus's chicory stick contrasts beautifully against Johnni Black's pale yob as she skillfully slobbs his bulbous knob. Sean Michaels lubes Naomi's dingdong with cunt drippings before playing Brooklyn cop and planting his billy club deep in her rectum. *Players Video Magazine* proves that pink unifies people of all colors.

—M.S.

PRICE: Karya and Wolf, mirror-image muff munchers.

NURSE SHANNA: Morgan readies Storm for cunt exam.

Nymph

ONE-QUARTER ERECT

Directed by Paul Thomas; starring Chasey Lain, Jill Kelly, Toni, Kirsty Waay, Tracy Love, Kitty Monroe, Tom Byron, Bobby Vitale, Vince Vouyer, Alex Sanders and T. T. Boy. Videocassette: Vivid.

Porn stars retire and reenter the business more often than politicians or professional wrestlers. Be that as it may, *Nymph* states that this video will be Chasey Lain's swan song. Although ubiquitously boffed throughout the flick, Lain's lustless lethargy indicates an acute case of condescension. Apparently, Lain now believes she's too good for porn. The tawny, bazooka-chested beauty with aquamarine eyes comes off bored and uninspired when Bobby Vitale lovingly laps her quim. As Tom Byron thugs Jill Kelly's love cushion, Lain absent-mindedly stretches and pokes Byron's gray ball sac like an idle child playing with Silly Putty. In the final climax, Lain disappears completely as T. T. Boy and Alex Sanders plant pole deeply in the puckered asses of two neon-haired nymphets. Sadly, Lain's last performance in *Nymph* should be missed. —M. S.

PLAYERS: Naomi satisfies putzes.

NYMPH: Toni sings the shit-pipe-packed blues.

THE SODOMIZER: Entering Moon's bush garden.

The Sodomizer #9: Le Cafe Anal

THREE-QUARTERS ERECT

Directed by Rodney Moore; starring Binki Pussy, Heather Travis, Kristina, Twilite Moon, Neena, Red, and Rodney Moore. Videocassette: Sin City Entertainment.

A woman's asshole is made for a much higher purpose than mere pooping and farting, but not enough real-life females understand the transcendent power of anal sex to transform their dirty shitters into instruments of supreme pleasure. *The Sodomizer #9* deals only with that elite class of porn bitches who are sufficiently enlightened to take it up the butt. Rodney lures each giggling sodomite into his dumpy domicile, displaying the creepy charm of a daylight serial killer coaxing victims into a van. Moore's trademark nostril-stuffing facial pop follows each bung-stretching session. An interesting variety of cunts is presented: an ass-licking blonde costumed like an office girl, a big-tit stripper with the fixed-eye stare of a full-blown psychotic and hairy-tufted Twilite Moon. Moon's dark-ringed eye sockets give her the aura of a spooky chick who spends most of her time in a room with tinfoil over the windows, only emerging into the light of a handheld video cam when the need arises to have her fuzzy crap chute reamed. *The Sodomizer* is a rearend hit. —M.A.

PERVERTED STORIES: Dean, a fuck pig on her first date.

Perverted Stories 16

THREE-QUARTERS ERECT

Directed by Jim Powers; starring Kelly Dean, Kimi Ji, Kali, Caroline, Dave Hardman, J. J. Michaels, Brian Surewood, Kyle Stone, John West and Mike Long. Videocassette: JM Productions/Legend.

The line between good XXX filth and stupid, grotesque shit designed only to shock is a thin one. *Perverted Stories 16* is dirty as a drunken whore's shit-hole; yet it provides satisfyingly disturbing fodder for the more

depraved self-fucker. Duct tape covers the mouth of the partially bound, green-eyed brunette in the opening scene. The gagged fuck pig is slopped with whipped cream and turd-colored cherries while being anally degraded on her kitchen counter. Two bums stalk a honey-voiced coquette in an alley. They corner her in a warehouse and peel her panties down trembling, white thighs; the rapacious overtones are simulated, but the look of curdled revulsion on the coquette's face is not as the bums fornicate with her yap, crap rings and coochie. You'll hate your cock for loving *Perverted Stories*. —M.A.

STRIP TIP

I am a 19-year-old, female college student. My boyfriend loves to go to strip bars with his friends. He spends tons of money on autographed pictures and lap dances. Do you know of any videos or places where I could learn to strip? I practice alone, but I feel like an idiot. If I knew how to dance, I wouldn't feel neglected when he went out. I might even join him.

—M. D.
Grand Forks, North Dakota

Learn to strip by watching professionals at work. Grab a few girlfriends, and go to a topless club. Don't be intimidated. Strippers love females in the audience. You have an open mind and the desire to learn. But remember, even when you become a home professional, your man will still go out with his buddies and watch women dance naked. When he comes home hot and horny, he'll appreciate the fact that you'll strip without the tease.

POP GOES THE ANAL

My girlfriend recently expressed interest in anal beads. I've never used them before. What's the best way to use anal beads during sex play?

—K. B.
Burbank, California

Insert the anal beads while digitally stimulating your girlfriend's pussy. Tuck the entire strand snugly up her butt. Pop the ass orbs out one by one while rubbing her clit. Pleasure occurs when the balls exit the ass, and the sphincters expand and retract. In my opinion, anal beads are another useless product sold at porn shops. Fingers and tongues always work fine for me.

SCORING LINES

What's the best way to meet women in bars and bed them? Has a pick-up line ever worked on you?

—N. R.
Crawford, Kansas

One-night stands with strangers leave me sexually unfulfilled. I need a mental connection with my sex partner to climax. I've never developed that relationship over a few cocktails with a new acquaintance in a busy bar. Drunk

fucking sucks. Booze numbs the pleasure receptors. If a girl interests you at a bar, ask her to coffee. Women often look different without smoke, mirrors and beer goggles. If she's still hot in the daylight, ask her out on a date. The discomfort of waking up to an ugly, unfamiliar ass is always worse than the loneliness of leaving the bar alone.

BLOOD LUST

Do porn girls work while on their period? What's the best way to stop the menstrual flow and fuck on the rag?

—B. O.
Bakersfield, California

Yes, porn girls work on the rag. A few years ago, a product called the Today Sponge saved starlets from unemployment during the monthly curse. These sponges were thought to cause toxic-shock syndrome. Today, women use sea sponges or diaphragms. Some crafty starlets cut tampons in half. Half tampons work in boy/girl scenes as long as the guy fucks gently and avoids balls-deep penetration. Hard boning will lodge the tampon in the cervix. Remember, ladies, the mouth never bleeds. Better

yet, pull the plug, lay down the towels, and surf the crimson tide.

HELPING HANDS

My boyfriend wants to fist me. I'm totally into the idea. What's the best technique?

—E. L.
Albany, New York

When fisting a woman, never ball up or clench the hand as if throwing a punch. Form a duck bill by extending the fingers to the base of the palm. Curl the fist into the pussy by rolling the wrist like a wave crashing. Use tons of lube. Plunge in and out slowly. Increase speed as the cunt dilates to accommodate the fist. If the gash doesn't fit over the hand, don't use force. Some hands are simply too big for tight girls.

Emily & MaryAlice

Lust Farm

PHOTOGRAPHY BY CLIVE McLEAN

Country girl MaryAlice takes her best friend, Emily, away for a weekend at her uncle's farm.

"Growing up close to nature," says MaryAlice, "taught me to be unashamed of my body. The neighbor girls and I ran naked through the fields and skinny-dipped in the creek. The nearest boy lived ten miles away; so we gals only had each other to experiment on. I had my first lesbian experience in this barn." MaryAlice straddles her beloved hog, Wilbur. "The only witness was a goat named Hank."

"I have a feeling history is about to repeat itself," says girlfriend Emily, finger to slit.

MaryAlice joins her curious cohort on the hay bale.

"Sure," she giggles. "Who says I can't go homo again?"

"I need it and you want it, so what are you waiting for? Slide my little white cotton panties to the side so you can savor my young scent and sweet taste. I hope that your big, thick cock doesn't stretch my tiny teen twat too much!"

FEEDBACK

(continued from page 13)

Asshole treats her fans like shit. There are better ways to spend time than listening to Dr. Laura's stupid criticisms. Reading HUSTLER is one of them.

—C. C.
Via Internet

Cheap-Ass Onassis

I have been presented with the opportunity to purchase a photograph of Jacqueline Kennedy Onassis. Jackie O shows full-frontal nudity. The picture will cost me a large sum of money. The New York courts originally suppressed the sale of this photo until now. Does this deal sound reasonable? Does the photo hold much value?

—F. B.
Palm Harbor, Florida

Buying the Brooklyn Bridge or real estate in the Everglades would be smarter investments. The July 1998 Anniversary Issue of HUSTLER includes a free collector's digest displaying 32 super-rare photos of the queen of Camelot in the buff.

Joy of Receiving

As a new subscriber to HUSTLER, I thank Larry Flynt and his staff for publishing America's Magazine. I live in a very conservative town. Finding a liberal-minded publication like HUSTLER on the newsstand is nearly impossible. In the past, I drove to another town to buy HUSTLER. Now I simply open my mailbox for an eyeful of sexy girls, hilarious humor and hard-hitting articles.

—D. C.
North Muskegon, Michigan

The recipe for receiving HUSTLER at home is simple. Dial subscriptions at 1-815-734-1142. Let phone call marinate for a few weeks. Open mailbox. Carefully unwrap the discreetly packaged magazine inside. Enjoy 12 piping-hot issues of HUSTLER for half the newsstand price.

Young and Sprung

I am an 18-year-old engineering student. I love HUSTLER and read every issue from cover to cover. The blunt, honest attitude of the magazine makes sense to me. Unlike Playboy, HUSTLER caters to an individual's head, not his bank account. My hat goes off to my idol, Larry Flynt, for taking America one step closer to freedom. I'm glad at least one publication in the mass media still has pride, integrity and balls.

—J. L.
Rock Springs, Wyoming

Womb Tomb

"Porn From the Past" is highly entertaining, informative and one of my favorite parts of Bits & Pieces. Let me know if HUSTLER publishes a compilation of past porn pictures.

—L. C.
Escondido, California

We'll let you know, L. C. In the meantime, dig under grandpa's bed for ancient smut. Ass archeologists receive \$150 for unearthing filthy artifacts from yesteryear.

Bucky Bum

HUSTLER is the best publication on the planet. Thank you, Larry. Who is the

lucky individual responsible for receiving and viewing all Beaver Hunt applicants? Does that person need any help? —R. B.

SQUAWK DIRTY TO ME

I am utterly opposed to the mistreatment of animals. Over the past five years, I've participated in a number of demonstrations organized by People for the Ethical Treatment of Animals (PETA). One of these protests introduced me to a very foxy redhead, Ilona. We hit it off right away and headed back to her tiny apartment. What we encountered has forever changed the way I look at furry, four-legged cruelty.

Ilona's bachelorette was ridiculously sparse. A bed took up most of the room, with a small television and nightstand on the side. There was no couch or even a chair. Ilona explained that she doesn't spend much time at home; she's usually cruising the streets for strays to rescue. I silently noted that she was probably hunting for a far more dangerous bounty: dick. This was an obviously horny lady, from her tiny, tight T-shirt to her circulation-threatening shorts.

In the bare surroundings, only one thing stood out more than Ilona's stiff, succulent nipples: She owned a pet parrot. His ornate, gold cage shone in the afternoon sunlight. Ilona proudly introduced her polly as Mr. Blue. The brightly colored bird squawked at the sound of his name.

"I don't call him Mr. Blue because he's sad," explained Ilona, pulling me onto the bed. "I call him that because he curses a blue streak. His last owner must have been a crack whore." I'm sure Mr. Blue's personal history was utterly fasci-

nating, but my attention was focused upon Ilona's nice, big mams. When I pulled away her shirt and unhooked her bra, those creamy majesties spilled forward and stole my breath. I buried my face in her freckled valley.

"Squawk," burst Mr. Blue. His screech announced, "Stop fucking around with her tits, and chomp down to some serious pussy eating!" Astonished, I looked up from my boob-noodling to see a grin on Ilona's face.

"You heard him," she laughed. Ilona whisked off her shorts to display a fluffy, red bush that had probably never been encumbered by panties. Tasting her clean, sweet clam was a pleasure, although I resented being bossed around by a bird. Regardless, the steaming juices that spilled over my chin made up for the emasculation. Ilona was really grooving on my muff-diving form; she reached

down and spread the love lips open wide, allowing me to tongue-stab her womb.

My right hand cupped her baby-soft bottom, then worked toward her clit. Immediately, the feathered loudmouth rattled his cage.

Mr. Blue squawked and added, "Not yet. She doesn't like clitoral stimulation this early, shithead. Give her some cock!" I was ready to clean the green-and-yellow fucker's clock before throwing him into the oven to roast. The gyration of Ilona's hips gave me pause; maybe the bird's advice was right on the money. Without bothering to remove my jeans, I unzipped and whipped out eight inches of rock-hard manhood.

My cock had barely speared Ilona's labia when I heard that shrill voice exclaim, "Ehhh. She's had bigger." I swore to myself that as soon as I bust a nut, the parrot would be next in line for a

fucking—preferably by a big, black, angry alley cat. At the moment, a crimson-colored pussy needed to swallow some; I served it up hard and fast.

Violent strokes pummeled Ilona's vage. I hadn't been laid in six months; so I found a reservoir of force that moved my ass like a scrunt-stuffing machine. Ilona thrashed beneath me and sank her teeth into my shoulder.

"That's more like it," growled Mr. Blue. "You're fucking that bitch good, you little faggot! Look at the way her eyes are shut tight. Look how the filthy girl is clenching her teeth! She's coming buckets!" The lady was not alone in her climactic thrall. I realized sperm was spraying from my nozzle before I could stop the flow. Abruptly, I withdrew, splattering Ilona's pale peaks with spermy snow.

Somehow, the whole experience seemed bestial...and kind of gay. I mean, it was Mr. Blue's dirty talk that triggered my volcanic flow. The next time I banged Ilona, I snuck poison into that fucking bird's seed.

Everyone wonders if hotshot lawyers get to fuck their clients. I can't speak for all of my fellow shysters, but I am one legal eagle with a stiff penalty in my briefs. Now that I'm tackling the most high-profile case since O. J. Simpson carved his wife like a pale, blond jack-o'-lantern, the road to the courts appears to be paved with pussy. God, do I love the American legal system—especially when the taxpayers pick up the tab!

My most recent slab of poon was provided by a dark-tressed, overfed, rich-bitch, young client whom I like to call Miss Piggy. Talk about tipping the scales of justice. Of course, I never refer to the spoiled princess by her porcine nickname if she's anywhere in the immediate vicinity. After all, Piggy's filing a litany of sexual-harassment charges against a very high-ranking executive who used to chase her around his desk. The last thing I need is my own personal lawsuit because the litigious lard-ass heard me comment on her jumbo rump.

It's not easy to hold my tongue when I see that gargantuan backside waddling around my Los Angeles law offices, knocking over important files and water coolers. I've never been an ass man; nice Jewish boys like me wind up with the typical kosher breast fixation. Unfortunately, Piggy doesn't offer all

that much on top—a terrible fate for a fat girl. She's not flat-chested, but her B-cup boobies look out of place on her plus-size frame.

The sweater-meat shortage did little to deter Piggy from showing up last week in a low-cut blouse that left distressingly little to the imagination. I must confess that I snuck a few peeks in the direction of her na-nas. Despite her oh-so-sizable flaws, there's something that qualifies as sexy about Piggy. Maybe it's because I handled the divorce of her parents when she was just a piglet. Watching a chick grow from an infant to a horny tramp—and then fucking the shit out of her—holds a kinky appeal. Or perhaps I'm simply falling under the Piggy spell after so much testimony regarding her famous blowjobs. Piggy added more fuel to the fire in my pants by waving a sleazy tabloid in my face.

"Look at this," she fumed, tears streaming down her chubby cheeks in a mascara mud slide. "An old high-school boyfriend claims my nickname used to be *Tahitian Release*. Do you know why?" I watched Piggy's lush, full lips tremble as I have during so many weepy press conferences. The same image always flashes into my mind: that blubbery mouth swallowing every inch of my circumcised

schvanz. Her incessant boo-hooing would make Piggy an unthinkable nightmare as a girlfriend—but one innocent little hummer during a recess couldn't hurt.... My God, what was I thinking? I checked my libido and struggled to answer Piggy's query in a professional manner.

"The Tahitian Release refers to an oral-sex technique," I responded in a calm, measured tone, "wherein the woman complements traditional blowjob procedure with a single finger in the man's rectum." Piggy's reddened eyes flared. Suddenly, she was sobbing even more hysterically. Before I could say another word, her cushy tush plopped into my lap. The big, fat crybaby threw her thick arms around my neck and wailed, just like she did during Mommy and Daddy's custody battle. Except this time, I made no effort to disguise the hard lump between my legs.

Piggy whimpered, "I'm so sorry. I just smeared makeup all over your \$2,500 suit."

"That's all right," I cooed, soothingly patting her behind. "It's actually a cheap knockoff from Sid's Wholesale. Stain as much as you like." Hopefully, Piggy would catch my subtle reference to the rumors of a semen-soiled dress that played a key role in her case. I might need

"It's like you're the father I never had. I think I was looking for a dad when I sucked my creepy boss's cock 37 times. But I would never stick anything in his butthole; that's gross!"

to make my flirtations a bit more obvious; the bitch is not too clever.

"You're so good to me," sniffed Piggy. Her bulk shifted upon me, and my trouser-enclaved hard-on nestled within flabby, female thighs. Breathlessly, she continued, "It's like you're the father I never had. I think I was looking for a dad when I sucked my creepy boss's cock 37 times. But I would never stick anything in his butthole; that's gross! Wait—does my tongue count?" I didn't know the answer to her babbling, and I really wanted her to shut up. So I unzipped. My raging python sprung free from its Jockey cage.

"I might regret this," I sighed, grabbing the back of Piggy's head, "but I'll share two words with you: Kiss it." In the back of my mind, I was mortified by my behavior. Back in law school, I was the president of a No Fat Chicks club. Now I was enjoying head from a fat chick who found her fame gobbling supreme-executive prick. I'm sure Piggy would have appreciated the irony if my throbbing boner wasn't scraping the roof of her mouth.

Having experienced what all the fellatio fuss is about, I can swear without fear of perjury that Piggy sucks a mean one. Her head bobbed aggressively upon my pole, offering up liberal amounts of gooey saliva to grease the shaft. I like women who swallow like they're out to prove something, and Piggy had plenty; in particular, the belly roll that peeked from her blouse as she bowed to my fleshy altar.

Momentarily, Piggy pushed away my sopping tool and gasped, "Ewww. I've never gone down on a cock with a scar like that. It's distinctive, but kind of gross. I wonder what it would feel like in my pussy...or up my ass?" She leered at me suggestively, removing her top and fingering her stiff nipples. If Piggy actually believed I was going to end her rumination by porking her cellulite-ridden sex, she was in for a sorry surprise. I stood and rammed my erection back down the kneeling sow's throat.

Fucking Piggy's face was quite pleasurable because she let me do whatever the hell I wanted. Some women—my wife included—flip out if you do something as innocuous as stroking their hair. I've seen the shrew married to Piggy's former boss, and I'm sure she's a real ballbuster. Man-oh-Manishewitz, I can only imagine how the big chief went to town on Piggy's broad features! He probably slapped his rod across her pronounced jaw, just like I did. I wonder if he also "accidentally" poked her in the eye?

Somehow, my dong felt good occupying the same esophagus as such a high roller; I may not rule the Free World, but Piggy was nearly as expansive.

"Urrrk," she gargled. Piggy's throat muscles constricted as I pushed deeper. Hopefully, she wasn't about to vomit. The nice thing about an eager-to-please twat like Piggy is that she won't complain either way. My deep probing continued; I grabbed her ears like the handles of a jug.

Orgasm burbled within my balls. Illustrating her instinctive skill for perfect skull, Piggy moved her lips south to slurp my hairy sac. Meanwhile, her fatty fist pumped my prong. The nut-juggling performed by her powerful tongue was genuinely impressive. I found myself withholding an imminent climax in order to fully enjoy tea-bagging the hungry hippo.

To my shock, I noticed someone knocking at my back door. Piggy had sent her pointer on an anal expedition to my deepest recesses. So much for her stink-fingered refutations! I knew the crazy cunt was a chronic liar, but now I questioned all of her accusations and teary denials. That didn't cause me to reconsider our case against her horndog employer; after all, the people have a right to know...and my checking

account has a right to fatten.

Speaking of fattening, it was my bone—rather than Piggy's waistline—that grew plumper and reached the bursting point. Once again, my sloppy-bodied sucker knew the exact moment to swallow my sword. The way her teeth lightly grazed the tip set off a spunk reaction.

I moaned, "Oyyy," and unloaded hot chum that filled Piggy's gullet like a clogged sink. She gagged and spat scum upon her skirt, wheezing for air. Finally, Piggy found her breath, allowing the red-faced swine to lick my pecker clean.

Piggy tried to kiss me afterward, but I politely declined. We agreed to meet for ten-minute conferences every day. Hey, her boss used to take a daily dose; why can't I? How is anyone going to stop me? I'm a lawyer. I can do whatever the fuck I want. As long as our case is in court, you can keep footing the bill, HUSTLER readers!

I wanted to get fucked in the dirtiest way. The magic wand embedded in my shitter like a makeshift, plastic tail gave Garry a colon-poking clue.

Garry, to pick up the Lil' Prestidigitator Kit at J. C. Kelso's toy store. It's nice to find events in Todd's life that can get Garry and I involved, because squeezing out three kids threw a serious wrench into our sex life.

Garry came home late in the evening, after the little ones had fallen asleep. He beamed with pride over the giant, cardboard box full of wonder.

"Check it out, honey," he squealed like a kid on Christmas morning. "There's a magic wand, a cape, a hat and a finger-guillotine trick." A few seconds passed before Garry did a double take and realized I was standing before him in the nude. Every inch of my vulnerable flesh was quivering with dick-deprived excitement. I stepped forward and popped a milky breast into his mouth.

"Great," I panted as my husband suckled. "You can put on the cape, stick your dick in the guillotine while I suck it, then fuck me with the magic wand." Garry dropped the Lil' Prestidigitator and wrapped his fingers around a hotter, wetter box. He must have jammed an entire hand into my twat; I creamed as he dove to lick my clit.

While hubby did his lip-flapping best, I rifled through the kit to find that black wand. If it was really magic, I'm sure the plastic length could work wonders within my sphincters. The tip pierced my bung-hole. Sheer, penetrating pleasure caused me to cry out; I made sure my final orifice was stuffed by biting my free hand. That way, Todd wouldn't wake up and see his birthday present early. Well, that and his parents rutting like dogs.

Garry's always been a good little rug muncher; his mother was a lesbian, so tricks of the tongue were passed along genetically. Well, unless you buy the argument that environment is the crucial factor of a child's development. In which case, Garry is so talented between the thighs due to the countless times he walked in on Mommy smacking clam. These and other philosophical questions raced through my mind as my husband bit and twiddled the rubbery skin surrounding my aching clit. God, he had me hotter than a dog locked in a car on a summer day!

"I did my part," Garry whispered between cunny slurps. "Now make this horse cock disappear." He unveiled the massive wang in question. I fell to my knees before he could say *abracadabra* and took down every inch in one gulp.

Sucking on my husband's veiny monster is one of life's greatest pleasures. During my various pregnancies, Garry

didn't like to fuck my cunt; so I mastered cocksucking. Today, I can make him come in less than 30 seconds. That, however, was not my intention. I wanted to get fucked in the dirtiest way. The magic wand embedded in my shitter like a makeshift, plastic tail gave Garry a colon-poking clue.

I dislodged the turgid bone in my throat and begged Garry, "Pick a hole. Any hole." Both of his large hands pushed my head to the floor. On my knees, with my butt in the air, I felt excited enough to come at the slightest touch. The ensuing touch was not so slight; Garry forced his purple head past the crinkles of my anal opening. To prevent me from screaming again, he stuffed the polyester cape into my mouth.

Garry's first powerful thrust burned like a motherfucker. The wand that had previously taken residence in my butt was now busy diddling my swollen love button; Garry guided the tip for hard-core cooch stabbing. With my spur-of-the-moment gag, I couldn't ask Garry to take it slow—despite the fact that we hadn't porked in months, let alone raced the Hershey Highway. I suppose my involuntary silence worked out for the best, because Garry served up the two-pronged sodomizing of a lifetime.

"Urrrh-urrrh-urrrgh," I grunted with each stiff blast. Magical tremors engulfed my honeypot, and I gushed girly goo all over the wand. What a long series of orgasms! They rippled my wet spot in a domino chain of sexplosions. Each vaginal eruption seemed to open my poop chute a little bit wider, allowing Garry greater access to my johnson-hungry bowels.

He leaned into my ear and muttered, "Nothing up your sleeve," before unsheathing from my sphincters. A jizz volley launched from his pump. I couldn't allow the carpet to be soiled before Todd's party; so I grabbed the first receptacle within reach.

Todd seemed to enjoy his kit quite a bit, and he even put on a show for his little friends. Unfortunately, when he waved the wand over a girl's face to hypnotize her, she passed out from the smell. And he reached into the hat to find a handful of Daddy's splooge. Other than that, his birthday was a success. I'll bet Garry and I will have a lot of fun with Todd's train set next Christmas!

A Kick in the Nuts

RECOGNIZING AND FIGHTING TESTICULAR CANCER

BY LARRY WICHMAN • ILLUSTRATION BY ELIKA

Danny Zametkin first noticed the swollen lump on his left testicle while showering after a Saturday-morning game of hoops. "I thought I'd strained something," the 23-year-old explains. "No big deal. It didn't hurt. I'm young. I'm fit. I figured the bump would go away." It didn't.

Three weeks later, the pea-size protuberance was still there, growing more defined each day. Zametkin remained in denial, and the chance for simple treatment slipped away. Within a month, the lump was diagnosed as cancerous, and Zametkin lost the testicle.

Though accounting for only 1% of all cancers in men, testicular cancer ranks as the most common form of the deadly affliction in males age 15 to 34. According to the National Cancer Institute, the disease struck more than 7,000 American men in 1995. The vast majority were in their late teens and early 20s, almost exclusively white or Hispanic.

There is good news. Testicular cancer (TC) is not only survivable, but curable, if detected early. Although one or both testicles might ultimately be removed, survivors can continue full sex lives.

Information on the source of testicular cancer is scarce. Doctors don't know the exact cause of TC, and researchers have been unable to connect the disease to any particular habits, activities or lifestyles.

"Diagnosis of testicular cancer usually starts with self-discovery," says S. Bruce Malkowicz, M.D., co-director of urologic oncology at the University of Pennsylvania Medical Center.

The National Cancer Institute recommends performing a testicular self-examination (TSE) monthly after a warm bath or shower. To perform the test, examine each testicle to check for any swelling on the scrotum skin. Cancerous lumps are usually found on the sides of the testicle, but can also appear on the front. The lumps are often smooth and pea-size or bumpy, with cauliflowerlike nodules.

The chance for successful diagnosis and treatment of testicular cancer

is improved by taking proactive steps. Do not wait until you feel discomfort before performing a TSE. Such tumors rarely cause pain. However, there are warning signs: swelling or shrinking of one testicle, a feeling of heaviness in the scrotum, blood in the semen, a dull ache in the lower abdomen or groin or a sudden collection of fluid in the scrotum.

Should one or more symptoms occur, see a doctor immediately. The sooner testicular cancer is diagnosed, the better the chance for recovery and less drastic the treatment protocol.

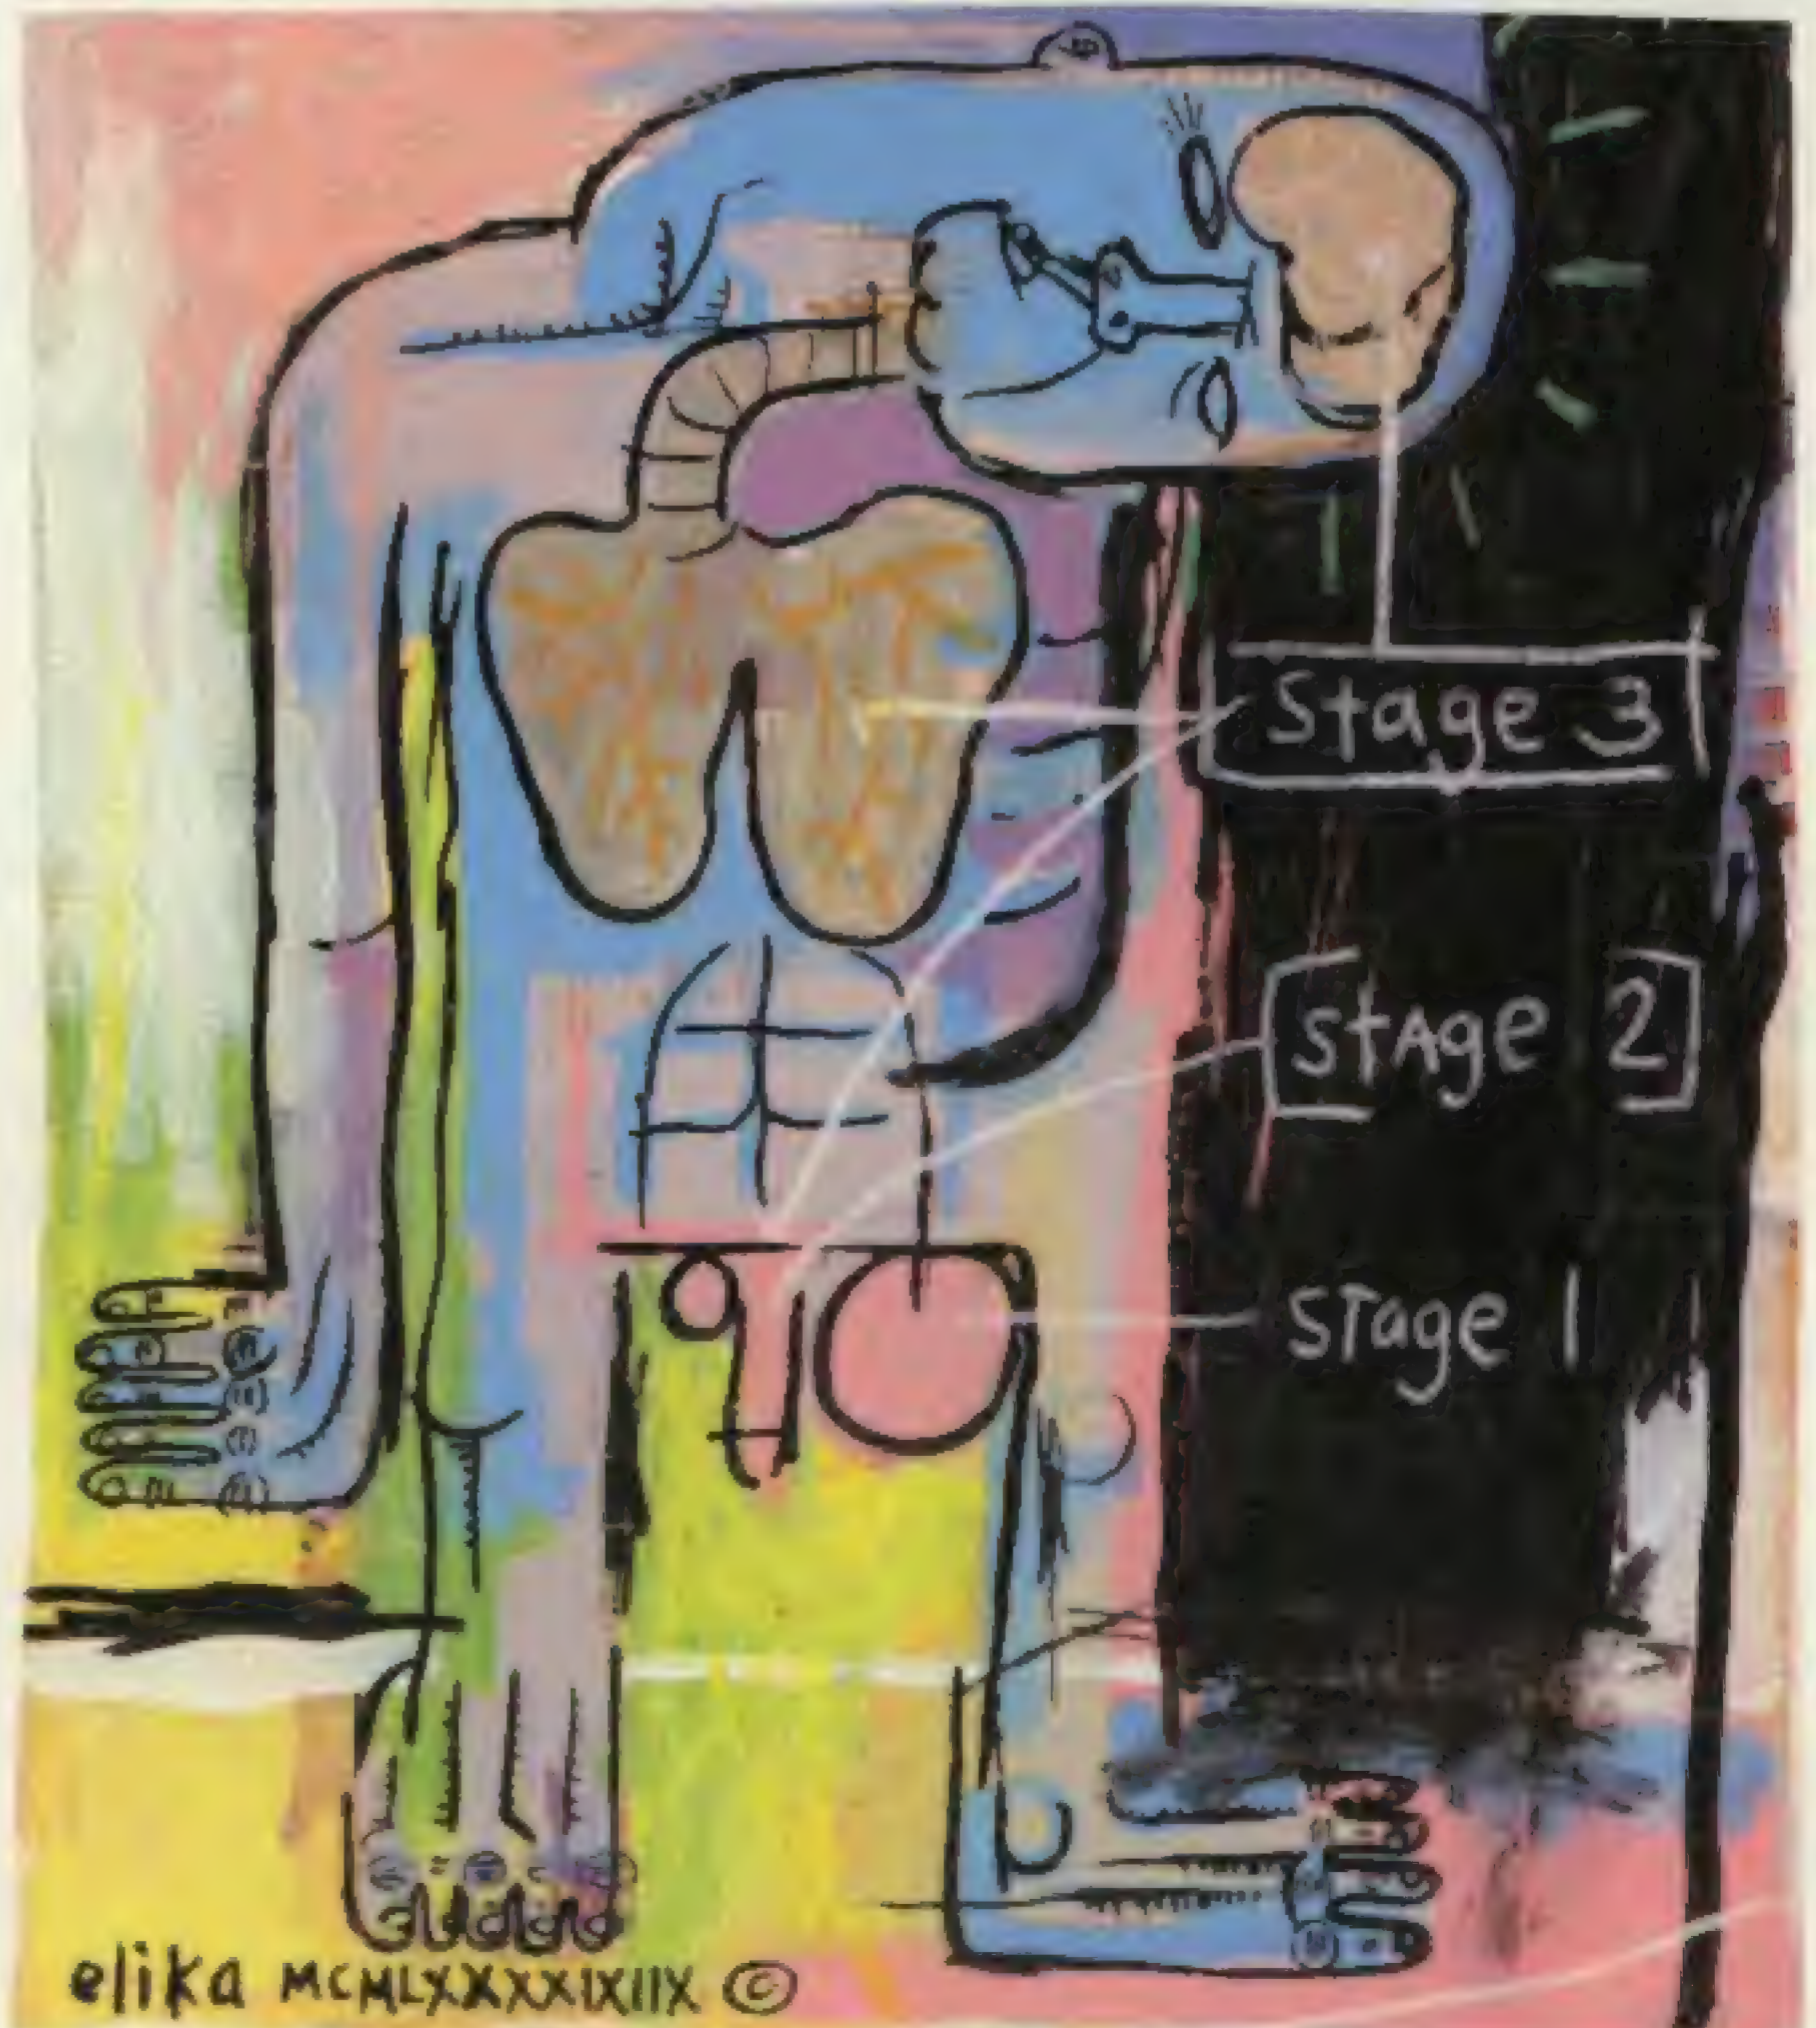

After first detection, a doctor will typically suggest an ultrasound test. According to Dr. Malkowicz, ultrasound is "a painless, noninvasive way to check for a mass." The most accurate detection method is for a pathologist to examine the suspicious tissue under a microscope. The only way to perform this test is to remove the testicle.

Some surgeons might offer a procedure in which the tumor is removed and the testicle is left in place, a questionable therapy. More than 95% of testicular tumors are malignant. Cutting out the tumor while leaving the testicle risks the spreading of any cancer cells left behind.

Removal of the testicle, a procedure called inguinal orchiectomy, is accomplished by making a four-inch incision in the lower abdomen. The surgeon then pops the testicle up through the pelvic region, snips it off and stitches up the incision.

The operation generally requires an overnight hospital visit, but average time on the table is less than one hour. Nurses will often urge a patient to stand up once the anesthesia wears off.

For many victims of TC, there is no need for further surgery. Nearly all testicular tumors stem from germ glands, the special sperm-forming

The key to surviving and living comfortably with testicular cancer is quick diagnosis and immediate treatment. With early detection, the overall cure rate is above 90%.

cells within the testicles. Extracting the source of the offending germ cells lessens the threat for further episodes of cancer.

This is particularly true of tumors known as seminomas, which comprise immature cells that are slow-growing. Seminomas account for almost 40% of all testicular cancer.

If the disease is not diagnosed and treated in time, or if it is more virulent, there is a 70% chance the cancer will move to other parts of the body. In these cases, additional action is necessary.

Physicians measure the extent of the disease in stages. Stage-one cancers are those which are confined to the testicles. At stage two, the cancer has spread to the nearby retroperitoneal lymph nodes, into which the testes drain. By stage three, the cancer has spread beyond the lymph nodes to remote sites in the body, such as the lungs or brain.

Testicular cancer caught while still in stage one generally requires only postoperative testing and surveillance. Should the disease return, radiation therapy—high-energy rays used to damage cancer cells—is often called for. With radiation treatment, doctors attempt to ensure the cancer is stopped in its tracks.

Though far less common, stage-one patients might also be recommended for surgery to remove the lymph nodes in the abdomen (called RPLND surgery). The procedure allows pathologists to determine whether the nodes contain cancer cells.

Former CNN anchor Bob Losure had his lymph nodes removed in 1985 after doctors determined a testicular growth was a virulent strain of cancer called embryonal cell carcinoma.

"The regimen was to do an RPLND," Losure explained on the Testicular Cancer Resource Center Web site (www.acor.org/diseases/TC). "They gave me a 60% chance that the cancer would not come back."

Losure faced the unpleasant prospect of undergoing the second tier of treatment for patients with stage-two or stage-three cancers—chemotherapy. The administering of anticancer drugs is recommended only when there are signs that the cancer has spread, or the doctor suspects that undetected cancer cells remain in the body after surgery and radiation therapy.

Chemotherapy is an arduous undertaking that exacts a physical toll on the body and may require several months of recovery. Losure initially opted to forego the ordeal.

"I went back to work," the newscaster explains, "and two months later, the cancer had returned in the groin area. I really had no choice [regarding chemotherapy]."

That cancer could go to my brain almost immediately."

Chemotherapy drugs attack not only cancer cells, but other rapidly growing cells as well. Hair cells, gum cells, blood-forming cells and cells that line the digestive tract are all affected. The chemo treatment commonly causes hair loss, loss of appetite, nausea and mouth sores. Losure was able to avoid some of the nastier side effects of chemotherapy by taking a group of specially designed drugs.

While some anticancer drugs temporarily interfere with sperm production, most men who receive chemotherapy for testicular cancer continue to function sexually.

Men equate losing a testicle with giving up sexual intercourse and sustaining an erection. This is not often the case. RPLND surgery usually does not hinder the ability to achieve orgasm. However, the operation can disrupt the pathways controlling ejaculation, and the survivor cannot come. Patients who experience this problem can sometimes recover the ability to ejaculate with medication.

Dr. Malkowicz claims that surgical complications have been significantly reduced thanks to modern "nerve-sparing" techniques. "[It's no longer a] total scorched-earth policy in which you take

out every single lymph node," Malkowicz explains. "We now can limit the amount of dissection necessary to get a therapeutic cure, but not over-dissect to disrupt every bit of nerves." The urologist calculates that "ejaculation can be preserved" in as many as 80% of cases.

A more severe threat of sexual dysfunction occurs when both testicles are removed. The testes are the primary producers of testosterone, the hormone that controls the development of reproductive organs and influences other male-defining characteristics.

Without testosterone, a man loses the desire to have sex. For cases in which both testicles are removed, a patient may undergo hormonal-replacement therapy in an attempt to regain sexual desire.

The key to surviving and living comfortably with testicular cancer is quick diagnosis and immediate treatment. With early detection, the overall cure rate is above 90%.

"I thought I was invincible," recalls Danny Zametkin who, four years after treatment, remains cancer-free. "I wasn't. Men with TC have to remember, the disease is no longer a death sentence. If you find a lump, get treatment. Then, don't look back." 🍌

Shane has piercing blue eyes, a devastating smile, big tits and a proven strategy to infuse porn with fun. In *Gone Snowboring*, the blond porn star-cum-director leads a band of cock-hungry starlets and hard-core woodsmen to a remote mountain cabin for a weekend of wretched excess. The actors are out of line, the production spins out of control, and Shane couldn't care less. In Shane's World, everything goes.

THE XXX PLANET WHERE PORN IS GOOD, DIRTY FUN

Shane

She's 28 and has achieved unprecedented success in the porn industry with only a ninth-grade education. The only thing bigger than her breasts is her dog, a 60-pound boxer.

The more I learn about Shane, the less surprised I am that the 12th installment of her ever-popular *Shane's World* series almost never happened because she lost her wallet.

"I can't fucking believe this," barks the panicked director. "I wasn't even that fucked-up last night."

Shane, a dirty-blonde with devastating blue eyes, streams from one room to the next like an anxious bride in search of her lucky garter. Meanwhile, the dozen or so refugees from legitimate employment who make up the cast and crew of *Shane's World 12: Gone Snowboning* mill about the high-end guest house Shane calls home.

For a terminal scatterbrain, Shane lives pretty high on the hog. Her *Shane's World* series has taken her to New Zealand, Mammoth, Cancun, San Francisco and, with any luck, California's Big Bear ski resort. In the past year, she's married the drummer of a band called Orgy and has had her face farted upon on the *Howard Stern Show*. She's 28 and has achieved unprecedented success in the porn industry with only a ninth-grade education. The only thing bigger than her breasts is her dog, a 60-pound boxer. The only thing she needs is a wallet to finance her next film.

A dim, low-wattage lightbulb flickers

over Randi Rage's head: "Where was the last place you saw it?" asks raven-tressed Rage. The *Snowboning* co-star receives no answer to a question that apparently deserves none. California-cute Shane uncharacteristically falters in the constant maintenance of her chirpy, Valley-girl facade. The cast is no help. Shane's quest enters its second hour.

Shane's assistant, Joanna, fills the surplus of time by dutifully arranging the requisite paperwork: certified AIDS tests, model-release forms, two forms of ID.

"I wanna goooooo," pouts the world's most lifelike Barbie doll, who answers to the name Brittany Andrews. Brittany spends most of her waking hours hiding behind a fortress of artfully applied makeup, a platinum swirl of hair and a chest that eliminates her need for driver's-side air bags. Our conversation turns to money, cars and other rewards of augmented appearances. I find that Brittany shares a tax bracket with the Beverly Hills surgeon who transformed her from a B to a FF cup. She is 24 and supports her entire family.

Shane's frantic search is going nowhere. Plumes of ganja smoke can't be helping. Undaunted, Petra, another Avon lady, finishes a behemoth bong rip.

"Now I feel better," Petra announces.

She blows secondhand smoke like a squirting sprinkler head. Petra's only 22 and could stunt double for Neve Campbell. A wave of sick thoughts flashes through my head. Petra exudes the innocent insouciance of a girl gone bad, a lost child who has turned to jerk-off movies to make the rent. Her Maybelline countenance bears little resemblance to the hopeless schoolgirl who graces milk cartons from here to Modesto.

"Yaaaaaay!" Shane has found her wallet. Moods lighten, and the assembled crew breathes a sigh of relief. A stressed-out Shane is counterproductive to the idea behind *Shane's World*.

"I want my talent to have fun," says Shane. "That's why we're always going to different places, doing different things. It's all supposed to be fun." With wallet in hand, Shane leads her merry band toward the slopes.

Luck of the draw finds me chauffeuring Brittany and her army of suitcases, filled with a collection of tampons, baby wipes, douches and at least 40 pounds of makeup. On the two-hour drive to the snowy San Bernardino Mountains, Brittany recounts her recent seduction of an 18-year-old male virgin.

"He called me Mommy, and I melted," remembers Brittany. "I tied him up and spanked him. I think he went into shock. If a guy's a virgin, I'll break him."

Brittany only does a few movies a year "to keep my name out there." In the downtime, Brittany tours strip clubs, claiming to earn up to \$20,000 per week as a featured dancer. The movie business is merely a vehicle for celebrity rather than a moneymaking venture.

Never an avid outdoorswoman, Brittany is not certain what Shane has in store for the snowboarding trip. Brittany does, however, have a clear idea of her own plans for the weekend.

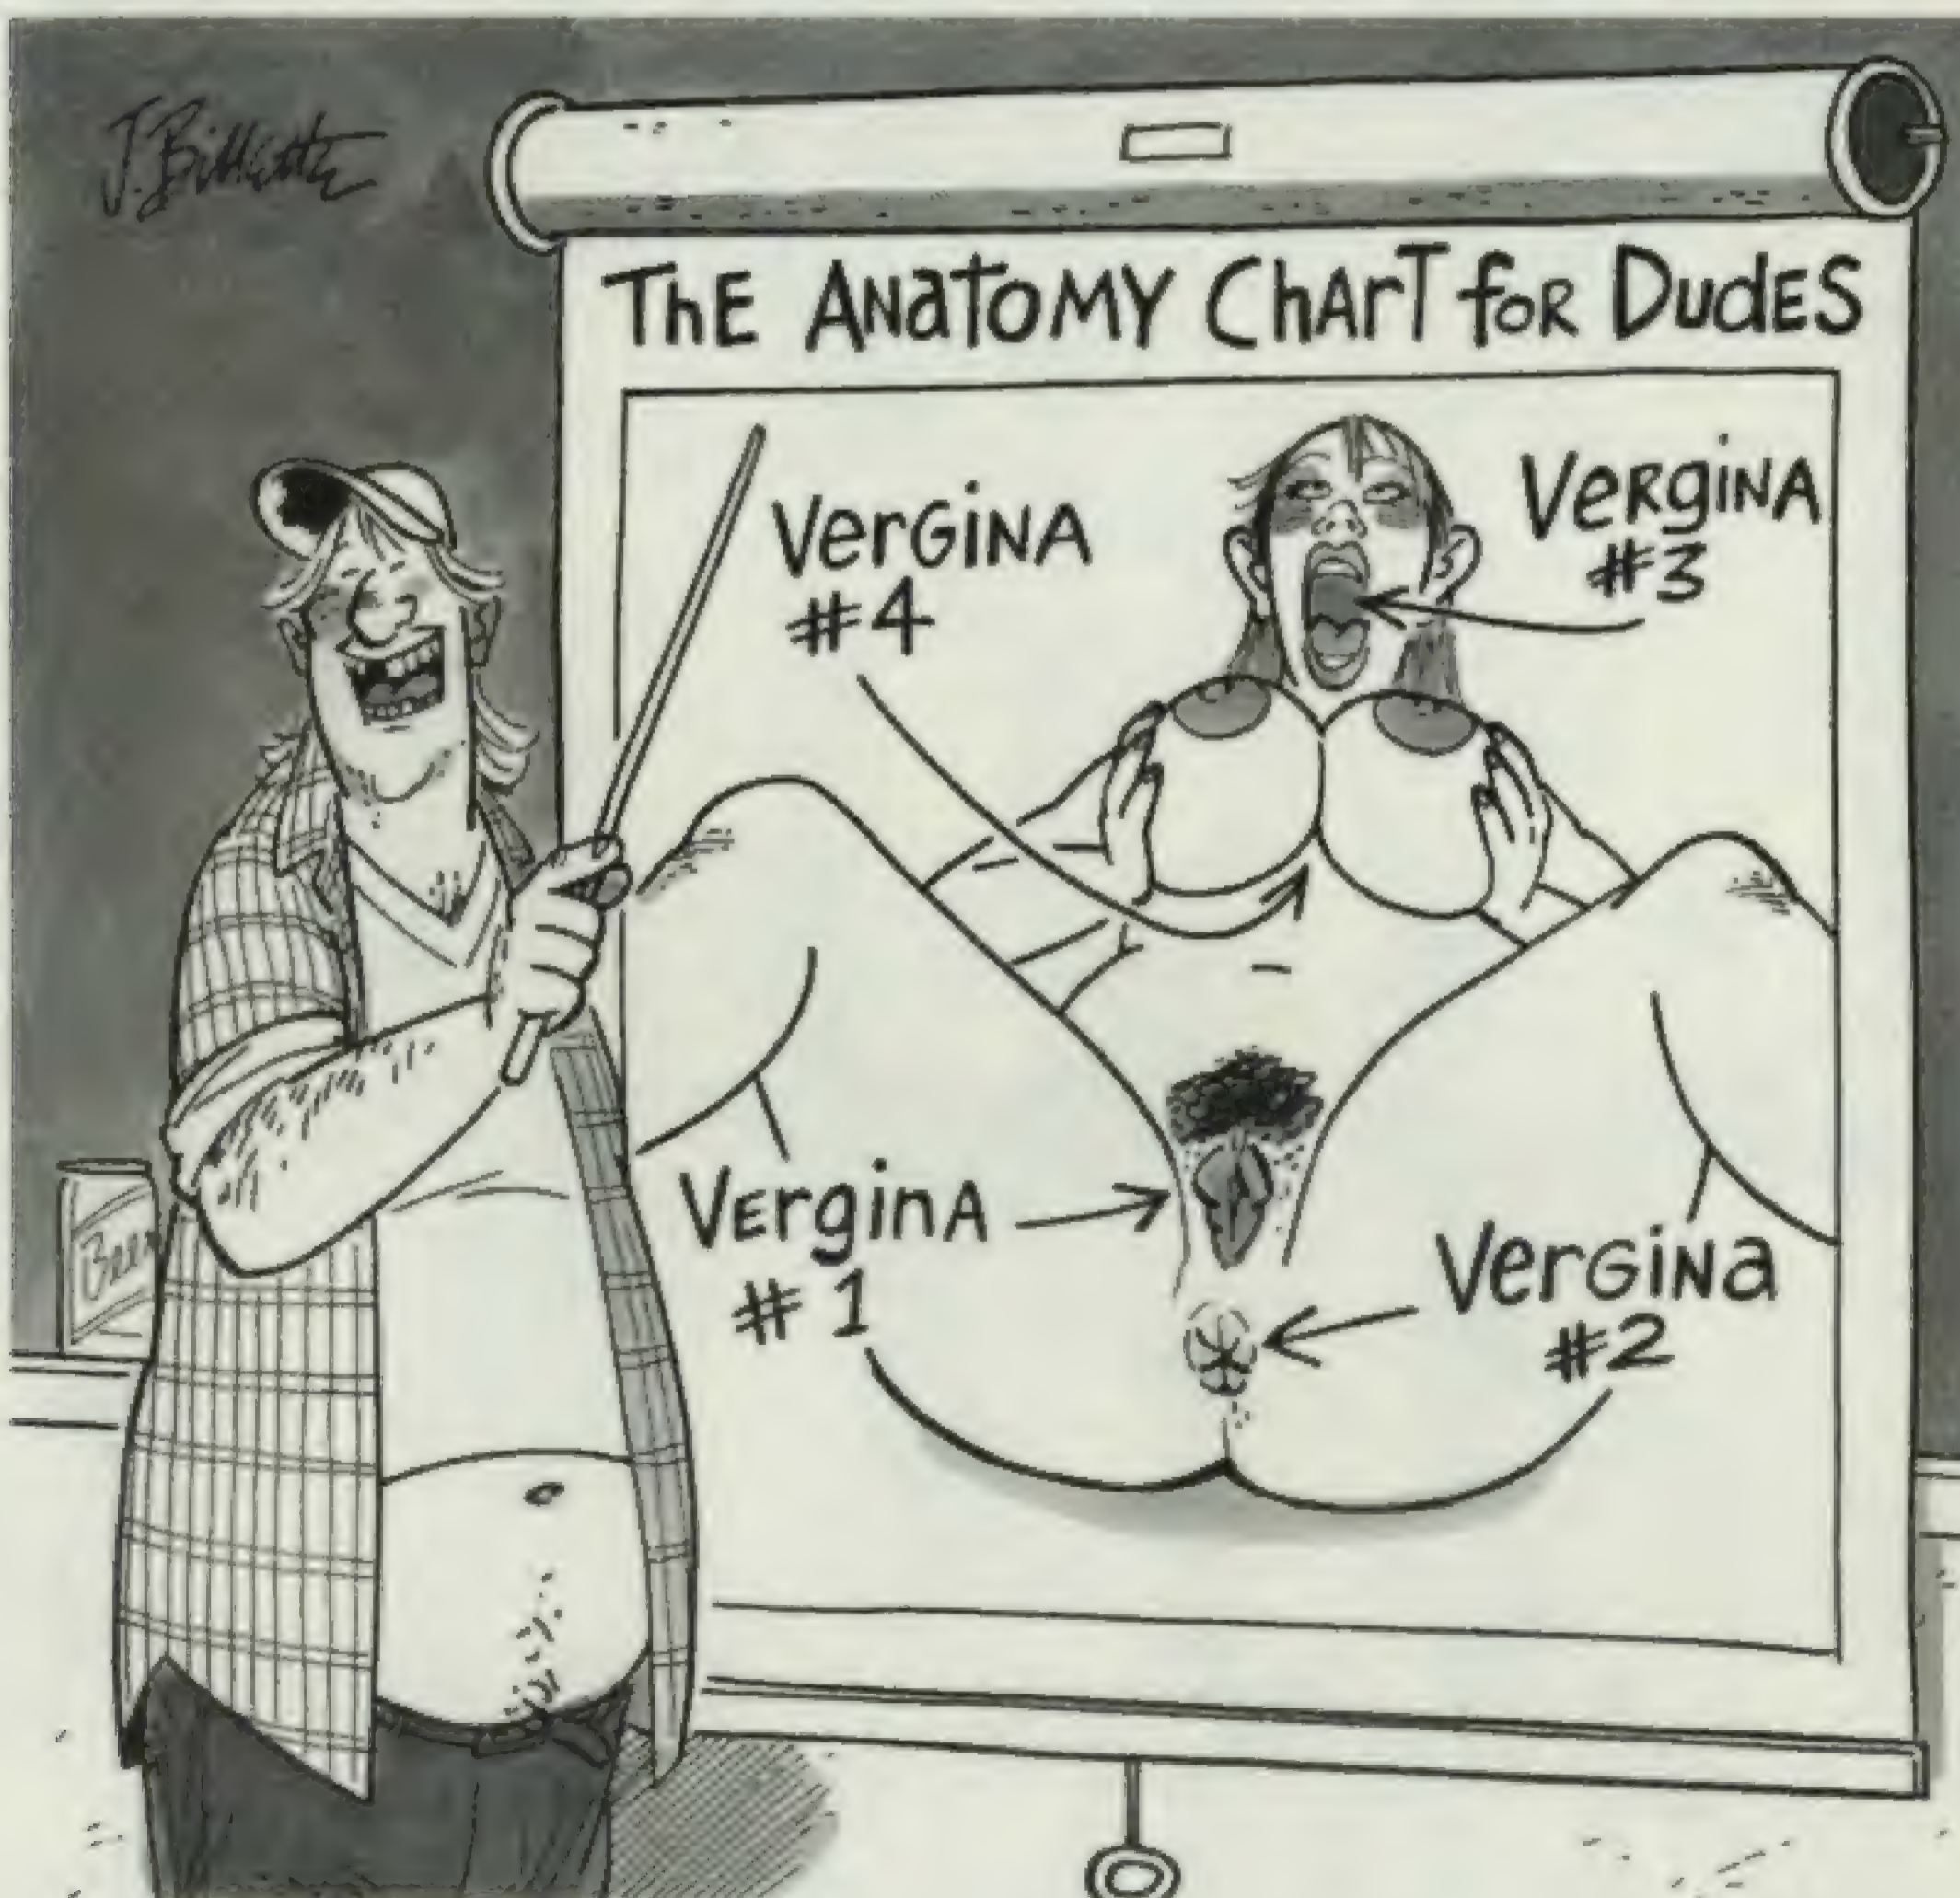

"I'm not doing any skiing," declares the buxom blonde. "I'm here to fuck, get paid and go home. I know Shane wants me to do one boy/girl and a girl/girl, but I don't really like girls that much. Maybe I can talk Shane into letting me do two scenes with that Billy guy."

"The guy with the shaved legs?"

She nods in agreement while staring at the flickering trees that pass her window at 50 miles per hour. Brittany's suppressed discomfort with contractual sex is only slightly less obvious than her boob job.

At the picturesque cabin that will serve as the set of *Shane's World*, Cameron—

this weekend's pseudonym for Shane's cameraman—is shooting exterior footage of the mountain chalet. Cameron is a skittish sort. He won't attach any name to his XXX work, not even an alias. In the credits of all the *Shane's World* features, he is listed as Cameraman. No photos of him exist. He has no parents. He never speaks when the camera is rolling. He will only be filmed from great distances.

Cameron claims to be in the porn business by way of hard luck. His ambitions in the legitimate-film world dissolved after he discovered the Hollywood market was saturated with USC grads who could afford to do entry-level Hollywood jobs for almost no monetary compensation. Cameron has been Shane's regular camera guy so long that most things don't affect him.

"Once I got a guy's cum on my hand," he reflects painfully. "I was frozen. I wanted to wipe it off, but I had to keep filming."

Cameron's girlfriend, Joanna, who also happens to be Shane's assistant, is the only denizen of Planet Shane more skittish of recognition than Cameron. A still photographer snaps a picture over her shoulder of Brittany taking off her shirt and shaking her melons. Joanna gives a look as if he'd peed in her stir-fry. Between the still camera, Joanna's cam-

era for box-cover shots and Cameron's video camera, Brittany's removal of her top becomes an instant media circus.

The smell of good ganja is out of place in a cabin that was apparently rented from the Osmonds. Down the hall, in the living room, woodsman Ian Daniels and Shane's guest, Heidi, smoke a seemingly endless supply of weed.

Heidi is a professional snowboarder who represents Shane's Fan Pick of the Month—a recent twist Shane installed to further include her fan base in her work.

Past Fan Picks include a brave recreational hand pumper named Oscar who, after sending Shane a letter of introduction and intent, was selected to join *Shane's World* in Mammoth. *Shane's World 7: Snowjob* introduces young Oscar as he takes in the sudden introduction to open sex. Oscar has the presence of a shaken witness to a fatal plane crash.

The fan mail Shane receives is varied, and she does her best to accommodate any reasonable request.

"I get a lot of letters from guys who love my feet," offers Shane. "I don't understand it, but I've decided to try to put more foot-shots in each movie. *Keep the customer satisfied*; that's my motto."

According to Cameron, shell-shocked Oscar's struggle to produce a convincing

erection was a three-hour endeavor that required the motherly coaching of every female on set. The shaky fan finally busted his feeble nuts under a thick cloud of embarrassment. Whatever second thoughts Oscar might be dealing with at this point must reckon with the beast of international distribution.

Heidi, whose drum-tight butt muscles would make her a porn-star icon, has a husband and a career in professional sports, disqualifying her from participating in the weekend's debauchery. Ian's friendly interrogation of Heidi establishes this reality early on. He is clearly disappointed.

* * *

In an atmosphere designed to provoke spontaneous sex—an irony of on-location porn shoots—the inhabitants of *Shane's World* are surprisingly sluggish in initiating any couplings worth filming. It's past eight o'clock, and the previous ten hours have yielded nothing that would raise the eyebrows on a Disney Channel censor.

Shane cooks dinner. Billy Glide enjoys a champagne glass of spiced rum. The blinding front light of Cameron's camera turns friendly conversations into theatrical showboating.

Cameron explains that the sexual lethargy is common during the first few hours of a *Shane's World* shoot. Undaunted, Cameron films everything with the aggressive camera sense of a Japanese tourist at Tomorrowland.

"Film is cheap," mutters Cameron, already well into his third two-hour tape.

Shane organizes a game of Jenga to initiate long-overdue sex. Jenga involves stacking 50 finger-size blocks of wood into a narrow column. Each player removes a block and places it on the top. Eventually, the stacked column becomes so precarious, it tumbles.

Shane's twist on Jenga involves writing sexual propositions—eat an ass, suck a dick, pee in the snow, masturbate—on each block. The players must complete the given task before replacing their block. Shane has also decorated the living room with packets of condoms and stray dildos. "Just in case people want to...you know."

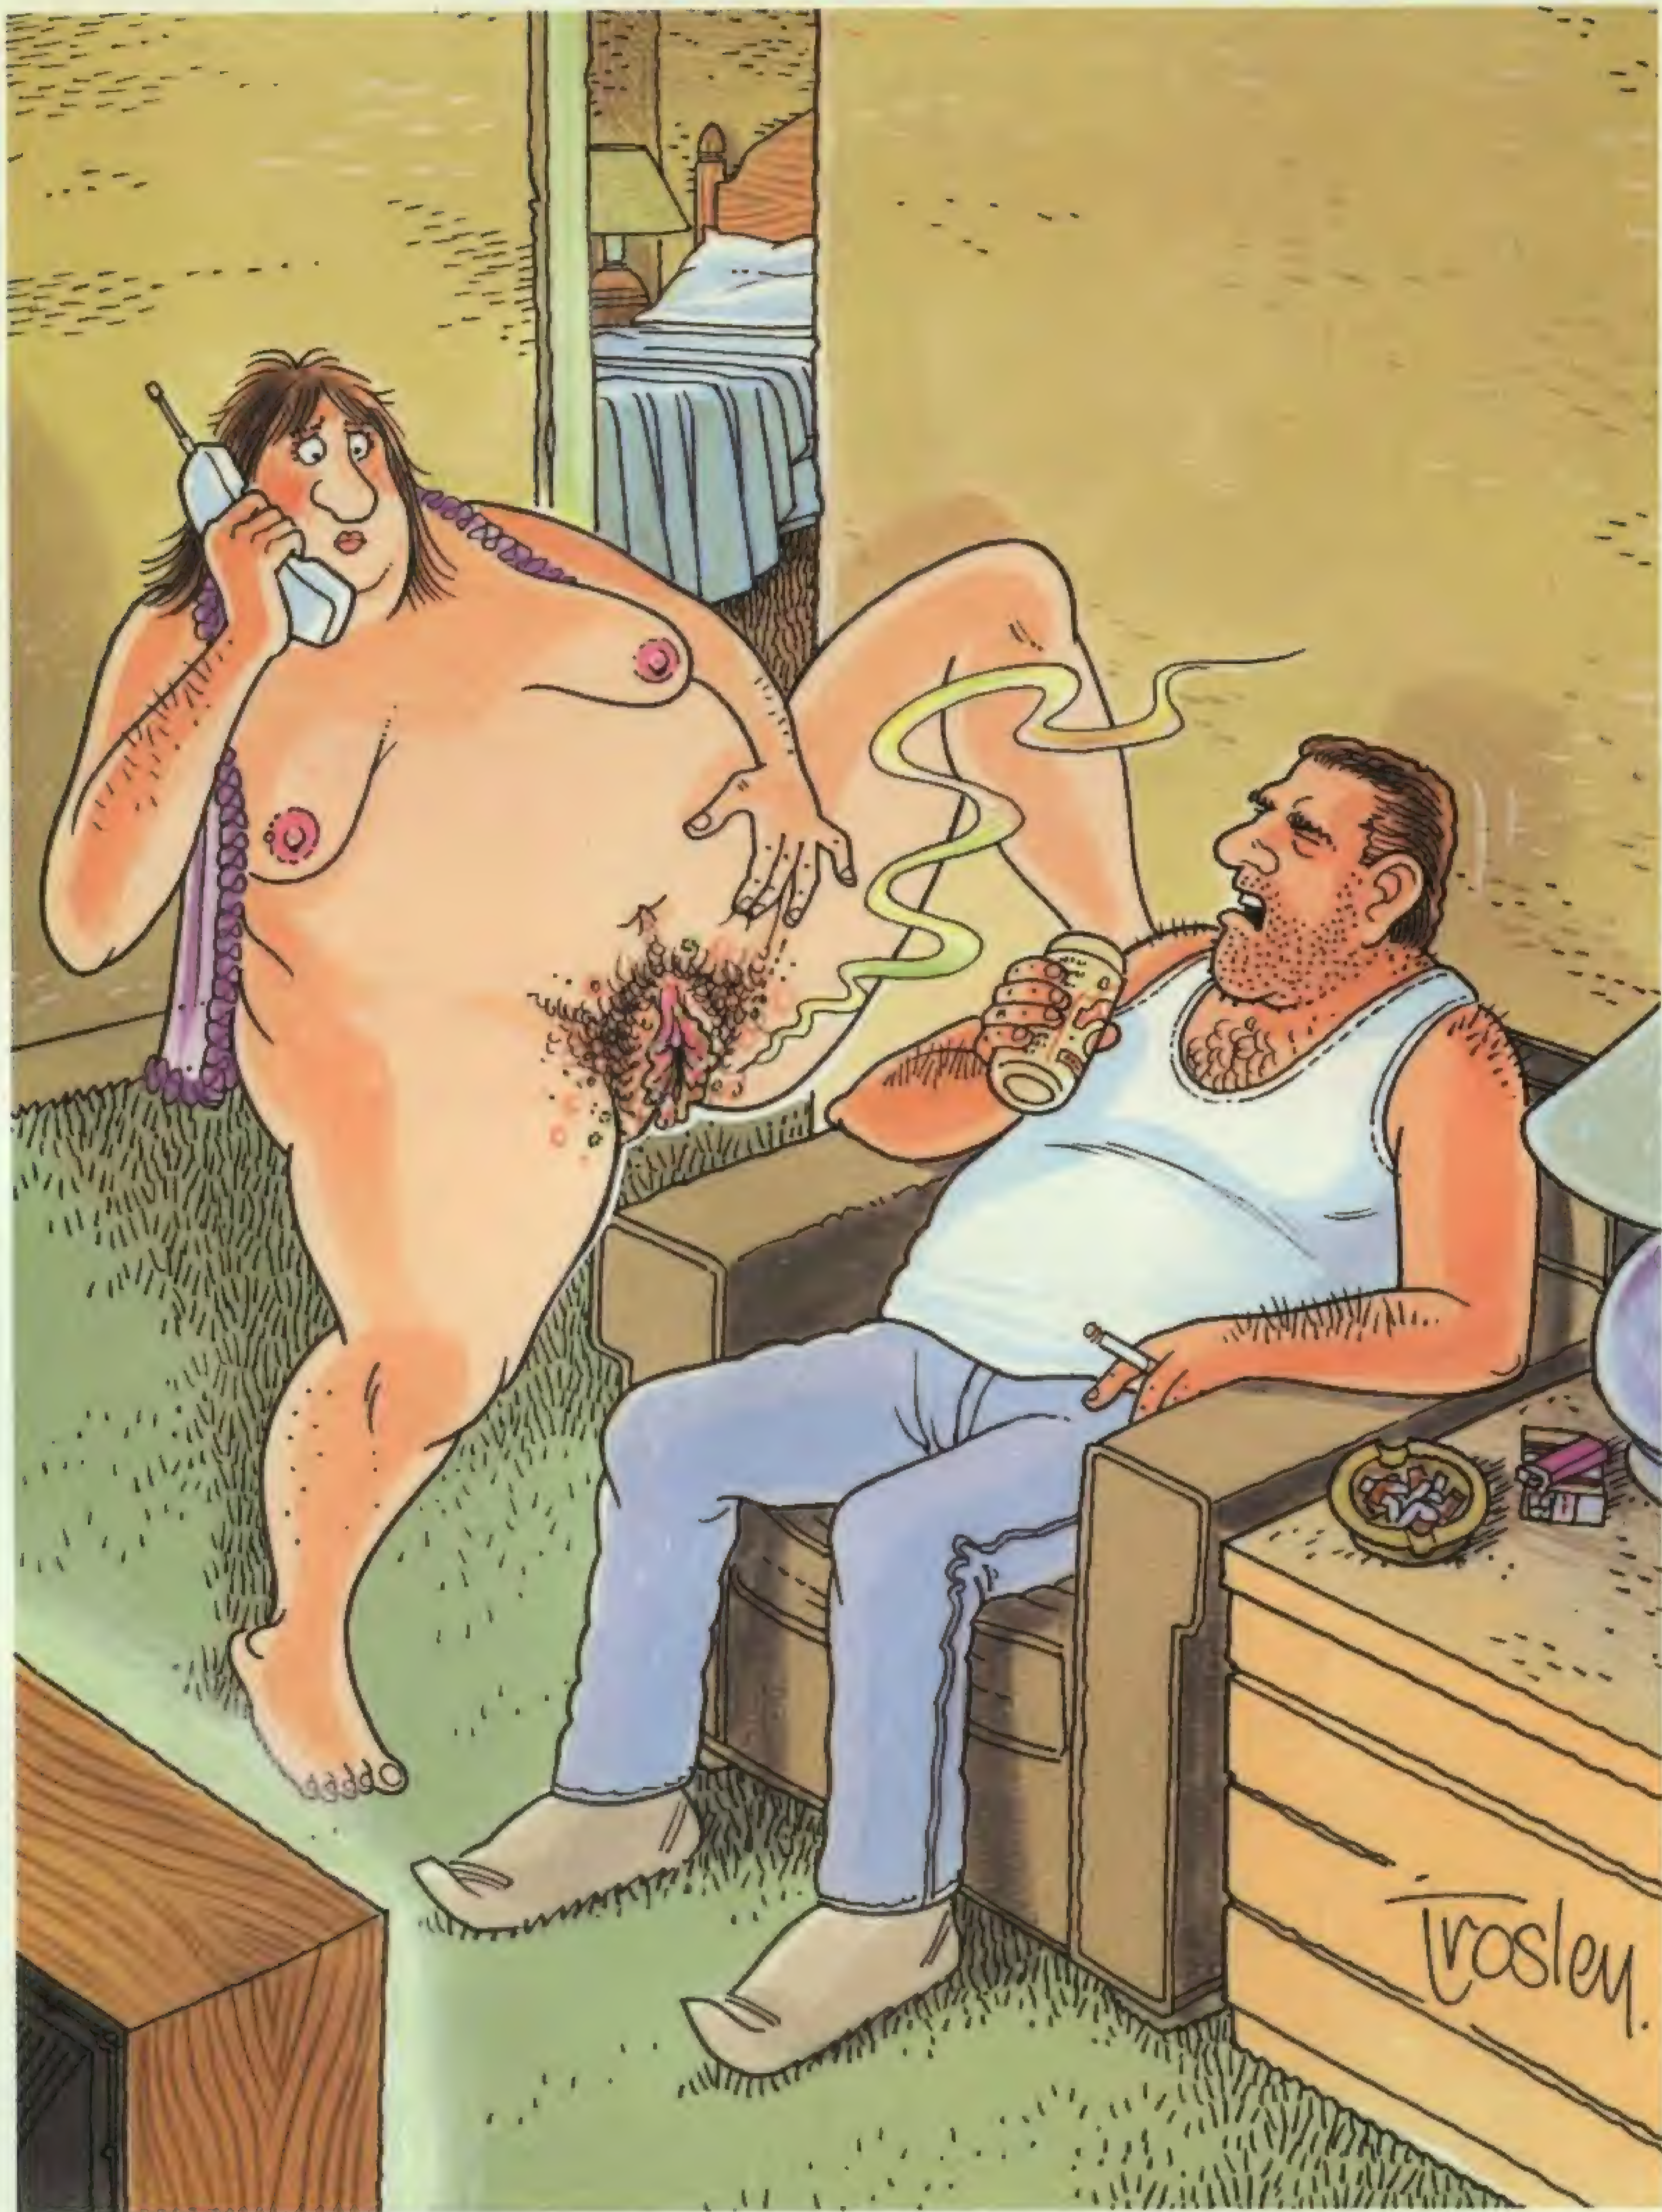

Impetuous cocksman Billy Glide pulls his sweats down and gyrates his waist. His overgrown member flips circles. Shane cracks a smile. For the first time on the trip, she seems content.

The Jenga game progresses smoothly; yet it does so without Shane.

"Some fans are unhappy about it," Shane says, "but I'm not doing any more boy/girl scenes because of my husband. It's a drag for me too. I get jealous when I see everyone having fun." Shane suppresses

"Sir! It is against the law to smoke in a California restaurant!"

"I don't care what she predicts...let your psychic-hotline bitch lick your stinky damn pussy!"

Shane

Shane suggests a girl/girl scene before hitting the snow. Petra and J. R. pair up. Petra has been seen as a wet blanket because of her hesitance to do any girl/girl. She's anxious to prove her worth.

her longing to participate by shoving a vibrator into her pants.

Billy gives another demonstration of his dick swinging, to whistles and cheers. Hungry for more of the spotlight, Billy returns to the game table moments later wearing a cowboy hat he plucked from the walls of the redneck dream cabin. He pulls his sweats up to his nipples and promises in a thick backwoods drawl, "I'm gonna get me some pussy."

Billy's plans are facilitated by the lucky draw of a Jenga block. The written instructions place Brittany's face deep in Billy's ass and J. R.'s lips around his cock.

Billy's keen showmanship is augmented by Gamma Hydroxybutyrate, GHB, or G as it's known in the porn business. Apparently, Billy has taken six hits of the growth hormone that is touted for its aphrodisiacal powers. G, which is widely used by weight lifters and teenage ravers, was pulled from shelves of California health-food stores last year because of safety concerns. Side effects are reported to include loss of faculties and irritability.

Billy suddenly stumbles, collapsing the Jenga pile. The newly dubbed Billy G. begins a feral sex tantrum by grabbing J. R. and flipping her upside down like a rag doll.

"Billy, that *hurts*," warns J. R.

"Settle down, Billy," Shane orders.

Brittany, a fellow GHB user, shakes her head. "He took way too much," she says, laughing. But the joke's on her. Billy leaves J. R. to Ian Daniels, who dutifully butt-reams the mother of two.

Billy tries to make Brittany his second course. He grumbles when she requests he don a condom. He becomes further agitated when Brittany won't suck him off after he's been inside J. R.

"Can I at least stick my tongue in your ass?" Billy asks desperately. Brittany agrees, and Billy dives deep into the realm of anilingus.

Lost in the frenzy is Randi Rage, who sulks in the corner like a wallflower at the prom. The pouty brunette chalks up her neglect to the fact that "blondes have more fun," even in the porn business.

Billy finally asks her to relieve J. R. and Brittany. Rage claps her hands like a gleeful child.

* * *

This scene fucks on for two hours. Billy licks and strokes all ends in sight. Brittany explains the endurance as one of G's effects. Sating Billy's sexual appetite is like feeding a manatee. When Billy finally pops, the filming stops.

Cameron and Joanna excuse them-

selves for the night. Billy charges into the kitchen in search of replenishment. Without saying a word, he savages the refrigerator like a man who hasn't eaten in weeks. Ian, whose speech is normally confined to queries that might further his access to marijuana, speaks up.

"Billy, you should wash your hands," advises Ian. Billy is knuckle-deep in the peanut butter.

"Billy, wash your fucking hands," orders Shane. Billy ignores all. His lack of professionalism and manners is particularly frowned upon by everyone whose anuses were explored by Billy's unrestrained touch.

The next morning, he must make a three-hour drive to Huntington Beach for a meeting with his parole officer at 9 a.m. Then Billy will drive back, nursing the inevitable G hangover.

Ian retires to the TV lounge to watch *Up in Smoke*. He caps a day of constant toking with a pipeful of good herb. The girls stretch a conversation about fake breasts and makeup into an hour. Shane goes to bed, eagerly awaiting the arrival of her husband the next day. Billy Glide descends the stairs to make the long and miserable drive to Huntington Beach.

* * *

Shane starts the morning by sharing a joint with Ian Daniels and promises a fun-filled day of snowboarding and recreational pharmacology. Brittany begins her makeup routine before sunup and doesn't finish until everyone has eaten breakfast. Randi Rage braids her hair into tendrils; Shane follows suit. They giggle.

Shane suggests a girl/girl scene before hitting the snow. Petra and J. R. pair up. Petra has been seen as a wet blanket because of her hesitance to do any girl/girl. She's anxious to prove her worth.

Petra and J. R. huddle and work out a routine. The cedarwood dinner table is soon covered in water and chocolate syrup, the latter of which drips from J. R.'s ass. To an untrained eye, the chocolate syrup that Petra laps from J. R.'s upturned ass looks like shit. Randi Rage rolls her eyes. Ian's narrow slits watch through a cloud of smoke.

The murky pool on the kitchen table grows deeper. Petra straps on a dildo and fucks J. R. The boffing goes on for two hours before Shane tells Cameron she's got enough to work with.

"That was awesome, you guys," squeals Shane. "Now let's go have some fun."

Snowboarding, the *raison d'être* of *Snowboning*, is chaotic at best. Shane's

The devout self-abuser parts her velvet pussy lips. "It feels good to bang my hole for a long time before I even touch my clit." Monique trembles with pious pleasure. "Why would God make our bodies so sensitive if He didn't want us to feel good?"

CALLER MUST BE 18 YEARS OLD OR OVER. COST 3 PER MINUTE.

HUSTLER HUMOR

One dark, rainy night, a traveling salesman arrived at a remote farmhouse requesting shelter from the foul weather. The hospitable farmer let him in, fed him supper and offered to let him stay the night.

"You can sleep on the couch," the wizened sharecropper said. "But don't let me catch you going near my daughter!"

Just then, Daisy, the farmer's blond, voluptuous young daughter walked into the room. The salesman gazed at her for a moment and replied, "I give you my word of honor, sir. I will not touch your daughter."

When the old man left to fetch his pipe, Daisy whispered in the salesman's ear, "My bedroom is at the top of the stairs."

The crafty peddler nodded. "And where is your father's bedroom?"

"At the end of the hall."

"Is he a sound sleeper?" the salesman inquired.

"He sleeps like a log," she replied.

"Do you have any Vaseline in the house?" he asked.

Daisy beamed. "Yes. Check the bathroom medicine cabinet."

The salesman waited until after midnight. When the young girl's father was sound asleep, the salesman crept quietly up the stairs, stepped stealthily into the bathroom, rubbed a fistful of Vaseline over his cock, tiptoed down the hall and fucked the farmer in the ass.

Question: Why can't they teach driver's ed and sex ed on the same day in Mexico?

Answer: Because the donkeys get too tired.

One spring day in the Ozarks, a teenage hillbilly boy approached his father.

"Paw, could I get \$20 for a blowjob?" the horny young rube inquired. His father chewed reflectively on a piece of straw.

"Well, I dunno, Son," the elder hick replied. "Are ya any good?"

On the first day of school, Miss Hentridge asked her fifth-grade class to talk about what they'd done over summer vacation.

When it was little Johnny's turn, he proudly related, "We stuffed firecrackers up the assholes of baby kittens!"

"Now, Johnny," the flustered teacher said, "you know we don't use that word in class. Say *rectum*."

"Damn straight we wrecked 'em," cried little Johnny. "We blew the little fuckers to kingdom come!"

The HUSTLER Dictionary defines *bachelor* as: a man who wants to ball without the chain.

Gladys and her husband of three years were making sweaty, passionate love on the sofa. Fifteen, then 20 minutes of furious fucking passed with neither of the marrieds close to reaching climax.

After half an hour of frantic coupling, Gladys finally said to her husband, "What's wrong, honey? You can't think of anyone else either?"

Mary plagued her fiance, Bill, about his past conquests.

"How many others have there been, darling?" she pleaded. "I must know."

"Why should it matter?" Bill answered tenderly. "You're the one I love."

"You're very kind, sweetheart," Mary said. "But please. Tell me for my own peace of mind."

Bill sighed. "All right. Let's see. One, two, three, you, four, five, six...."

Question: What do you get when you cross a black with a Vietnamese?

Answer: Chocolate-chip cookies.

Chad propositioned a girl at a trendy singles bar. They returned to his apartment and went immediately to bed.

As soon as the vain young man reached orgasm, he rolled off his date and lit a cigarette.

"Well," his disgruntled partner declared, "you are definitely a good-looking guy, but you sure are a lousy lay."

"Hah!" Chad snorted indignantly. "And just what makes you such an expert after 30 seconds?"

THE RELIGIOUS RIGHT IS GAINING CONTROL OF YOUR GOVERNMENT

REPORT BY LAUREL SMITH * ILLUSTRATION BY LENNY MACE

Pious zealots in this country covet your freedom. Despite Constitutional assurances of a separation between Church and State, a rising plague of religious politicians is worming its way into the cogs of

American government. Christian soldiers are waging a holy war to rally the Fundamentalist masses. How far has the Religious Right's influence spread, and what can be done to stop it?

THE RELIGIOUS RIGHT IS GAINING CONTROL OF YOUR GOVERNMENT. THE RELIGIOUS RIGHT IS GAINING CONTROL OF YOUR GOVERNMENT. THE RELIGIOUS RIGHT IS GAINING CONTROL OF YOUR GOVERNMENT.

THE RELIGIOUS RIGHT IS GAINING CONTROL OF YOUR GOVERNMENT. THE RELIGIOUS RIGHT IS GAINING CONTROL OF YOUR GOVERNMENT. THE RELIGIOUS RIGHT IS GAINING CONTROL OF YOUR GOVERNMENT.

Religious

From fallen televangelists to right-wing political groups, self-righteous Christians possess the miraculous power of reinvention and serial resurrection.

It's Friday night. After tossing a stack of bills into the mailbox, Joe Stiff has enough cash left over for a six pack and the latest issue of America's Magazine. Joe heads down to the corner market and asks the matronly clerk for a copy of HUSTLER.

The cashier glares at Joe. "Are you aware that reading antifamily literature is a federal crime?" she asks. Before the bewildered Joe can respond, he is seized by two plainclothes policemen and transported to a State-run Christian-indoctrination camp.

Inside the compound's cement walls, involuntary born-again like Joe are herded into tightly run confessional groups. Under the scrutiny of government officers, unsaved souls are forced to reveal intimate details of their sex lives, finances and personal relationships.

The group concludes that Joe's practice of premarital sex, friendships with nonbelievers and enthusiasm for pornography constitutes crimes against God and government. Joe's bank account will be drained to finance his rehabilitation: a strict regime of fasting, prayer and exorcism.

The Religious Right is on a massive crusade. Their goal? The fulfillment of the Great Commission, a Biblical proclamation

from Matthew: "Go therefore and teach all nations, baptizing them in the name of the Father, the Son and the Holy Spirit."

The Campus Crusade for Christ hopes to introduce the entire world to the gospel by the year 2000. Promise Keepers plans to have a men's ministry in every church in the nation by the same year. Whether Christ arrives tomorrow or 300 years from tomorrow makes no difference. The Christian Right plans ahead.

The battle for Biblical supremacy in America is as old as the nation itself. People for the American Way (PFAW), a nonprofit group that monitors right-wing activity, traces the struggle to the signing of the Constitution. "Certain people wanted a State church," says representative Jerry Sloan. "They lost. And they've been pissed off for the past 200 years."

Pissed off and returning in new forms and alliances, stronger and more determined. From fallen televangelists to right-wing political groups, self-righteous Christians possess the miraculous power of reinvention and serial resurrection. Repentant Reverend Jimmy Swaggart rose from the ashes of his sexual disgrace to expand his profitable ministry overseas. Reactionary radio shrink James Dobson went from dispensing Biblical advice on his talk show to bullying GOP

leaders into supporting an antichoice agenda. Pat Robertson utilized the resources of his failed 1988 Presidential campaign to construct the Christian Coalition. With 1.7 million supporters nationwide, the Coalition battles to convert their fanatical morality into government legislation.

The "godfather" of this politically malignant strain of the Religious Right is Reverend Jerry Falwell. The son of an agnostic bootlegger, Falwell's most important contribution to the erosion of Constitutional freedom is the formation of the Moral Majority. Employing the power of weekly radio broadcasts of the *Old Time Gospel Hour*, Falwell blames America's ills on the expansion of personal liberty. He declared pornography "the number-one enemy against the family," and summoned radical Christians from the pews to the polls.

In 1989, Pat Robertson and fresh-faced zealot Ralph Reed formed the Christian Coalition. Robertson claimed that the Coalition, a grass-roots version of the Moral Majority, sought only to "educate voters about religious issues." Its more insidious objective was to push an anti-free-speech, antiabortion platform by hijacking the Republican party.

700 Club mastermind Robertson vows to land a "pro-family values" president in the White House by the year 2000. The Coalition's success thus far is considerable. In 1994, Coalition distribution of 33 million election-eve voter guides fueled right-wing victories. Studies show that 60% of candidates in the 1994 election backed by the Christian Coalition won, including at least 26 Republicans in the House and nine in the Senate.

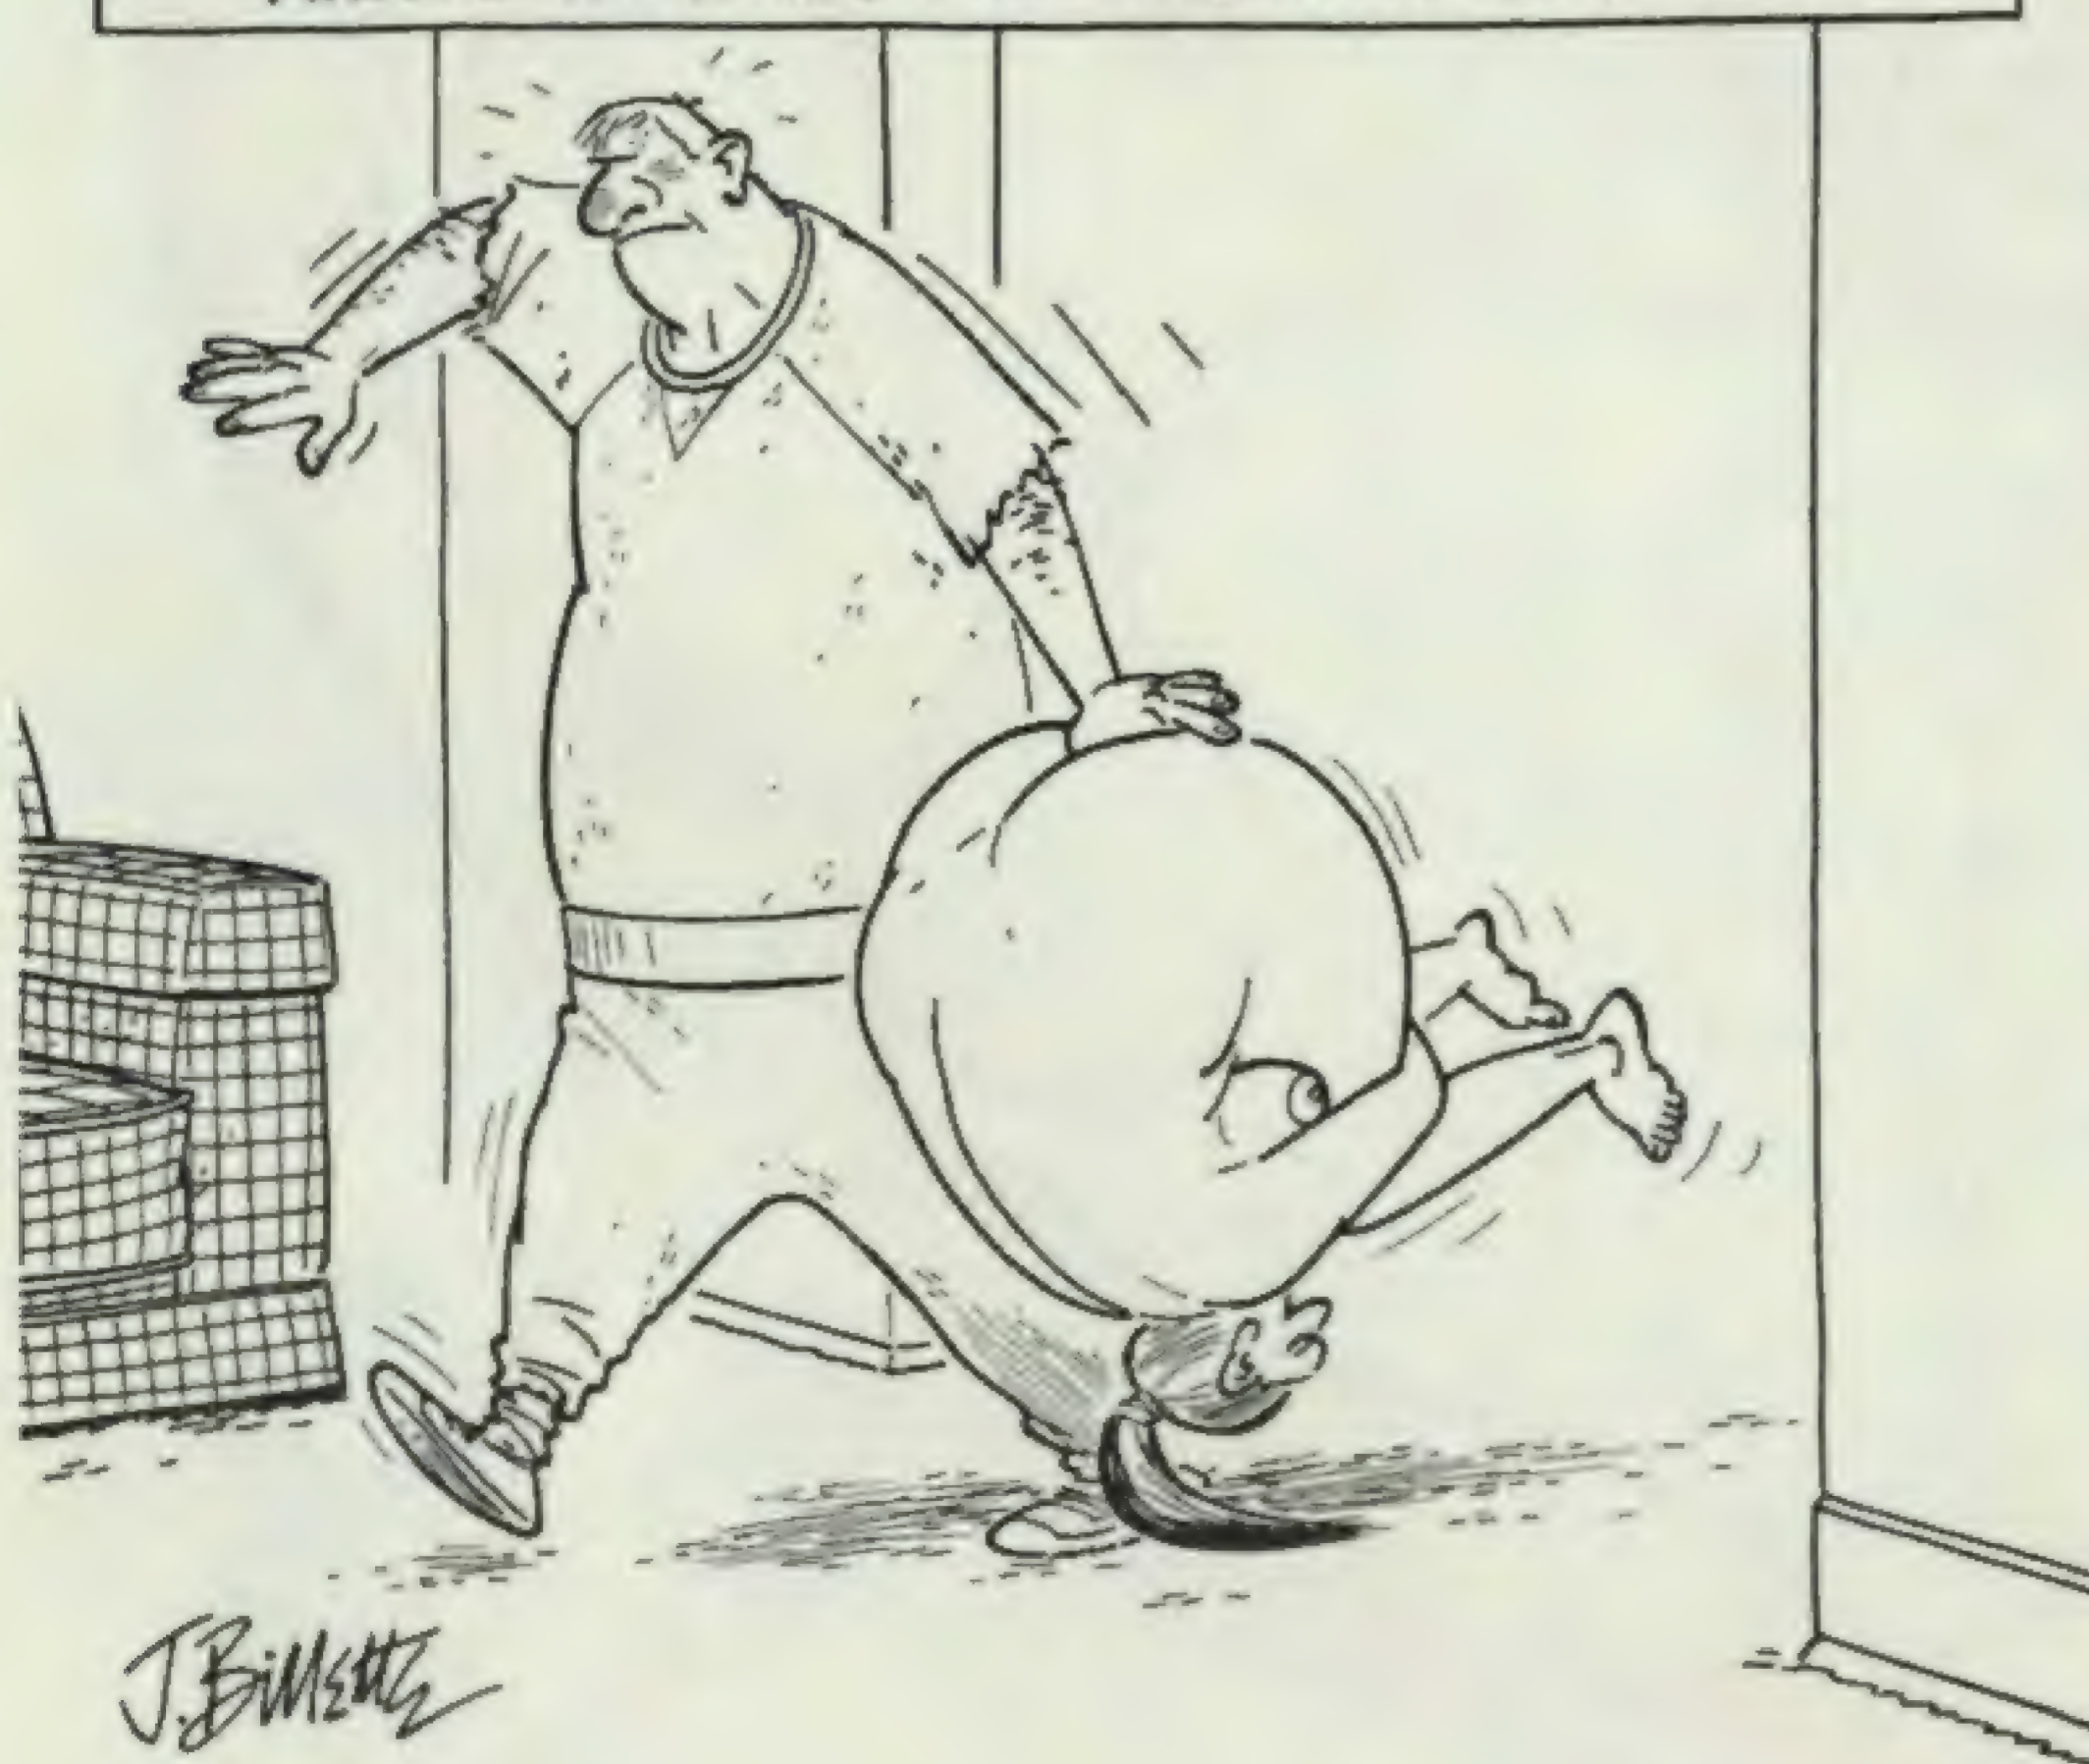

Ralph Reed, a savvy politico, uses military terminology to describe his strategy to impose Christian Coalition values on you: "I do guerrilla warfare. I paint my face and travel at night. You don't know it's over until you're in a body bag."

In return for engineering the GOP sweep, the Christian Coalition pushed legislators to pass their repressive social program, Contract with the American Family. The ten-point treatise attempts to sanction government intrusion into the most personal aspects of American life. Under the guise of religious freedom, the Religious Equality Amendment would virtually abolish the separation of Church and State, giving teachers and government officials the right to preach in public schools and workplaces.

The contract also calls for a government ban of Internet pornography. While the

Seth and his boogie-board buddy Nikki wade back to shore after a close call with a coral reef.

"Near-death experiences make me horny," Nikki reveals as the two thrill seekers settle onto the beach. "That huge wave crashing over us sent a hot, throbbing current straight to my cunt."

Seth teases Nikki's wet nipples with his teeth.

"Are you still excited?"

"Yes," whispers Nikki. "I feel another dangerous swell coming."

"Only this time," Seth replies, mounting his lover, "you'll ride it 'til it breaks."

Religious

(continued from page 88)

In 1991, Robertson accused Planned Parenthood of promoting "bestiality and lesbianism." In a 1993 broadcast of the *700 Club*, he compared homosexuals to "Nazis and Satanists."

Religious Right's social agenda ravages their neighbor's Constitutional freedoms, it proposes using their tax dollars to fund Christian schools.

By 1996, Reed had disguised his pugnacious tactics. He replaced ham-fisted jargon with a stealthy plea for "open" dialogue between right-wing Christians and their adversaries. The wily strategist urged conservatives to "shun harsh language on abortion and homosexuality."

Reed's masquerade of tolerance was in stark contrast to the raging heyday of his mentor, Pat Robertson. In 1991, Robertson accused Planned Parenthood of promoting "bestiality and lesbianism." In a 1993 broadcast of the *700 Club*, he compared homosexuals to "Nazis and Satanists."

Reed's softening of public rhetoric is a strategy to make the Coalition's agenda palatable to the mainstream, but Robertson has always been the undisputed power behind the organization. Robertson seldom minces words about the Coalition's goals: "The time has come for God's people to be where He intended them—on the top, not on the bottom."

Reed resigned from the Coalition in 1997 to form Century Strategies, a political consulting firm for conservatives. Reed's latest tactic will help elect "pro-

family and pro-life candidates at every level of government." Pat Robertson pins his vision for America's future on the election of a "pro-family" president. Century Strategies intends to establish antichoice Christian supremacy "one neighborhood, one city and one state at a time."

Carole Shields of PFAW notes the move will allow Reed to accomplish "precisely the kind of work the Christian Coalition has pretended it hasn't been doing for years."

The newest onslaught of the Religious Right is the men's movement known as Promise Keepers. Founded in 1990 by former University of Colorado head football coach Bill McCartney, Promise Keepers vows to change America at the family level.

Promise Keepers, like the Christian Coalition, is an organization with two distinct faces. Despite Pat Robertson's praise of the movement on the *700 Club* and a Falwell-sponsored training session for Promise Keeper officials, spokesman Steve Rupe insists Promise Keepers has no political goals. "Jerry Falwell is a Christian leader," maintains Rupe, "and we are a Christian organization."

In contrast, Bill McCartney is outspoken about his political views and the

Promise Keepers agenda. When asked on NBC's *Meet the Press* whether he'd enter the Presidential race if requested to by God, McCartney replied: "Absolutely. I'd be a fool not to." At a 1993 Promise Keepers rally in Boulder, "Coach Mac" echoed Ralph Reed's military tactics in winning the nation for Christ. "Whoever stands with the Messiah will rule with Him. We are going to war as of tonight. We will not compromise."

McCartney's moral war uses bodies, from highly controlled, cultlike cells of three to six to a national gathering of half a million men on the Washington, D.C., mall. Promise Keepers rallies project a media-friendly image. Thousands of mostly white men, weepy and repentant, gather in football stadiums for prayer, atonement and live Christian rock. Attendees range from fallen pastors to Hell's Angels asserting familial loyalty, sexual purity and Christian brotherhood.

Rupe claims the rallies "energize the men" so they can return to their families and churches and "build a stronger relationship with God."

People for the American Way remains wary of the Promise Keepers fervor. "You see these guys at rallies saying, 'Jesus, Jesus, Jesus,'" says watchdog Jerry Sloan. "The question is, how far is it from saying, 'Jesus, Jesus, Jesus,' to saying, 'Sieg heil'?"

Once the frenzy of the stadium fades, Promise Keeper men channel their devotional zeal into "accountability groups" at their local churches. The members of accountability groups monitor one another's behavior and attitudes.

Sloan views accountability in the mind-control tradition of other famous zealot movements: "After Koresh and Heaven's Gate, the cult experts line up the danger signs, but when it comes to Promise Keepers, the media is either afraid to look at it or in denial."

Accountability groups are a variation on a controversial form of Christianity known as Shepherding and Discipleship. The Shepherding philosophy proposes that no individual can be a Christian on his own.

Bill McCartney first encountered a shepherding sect of about 1,600 adults, called the Word of God movement, while coaching at the University of Michigan. Word of God members were required to submit weekly schedules of all personal activities for approval by a group leader. Writer and right-wing observer Russ Bellant claims those who questioned Word of God leaders "were considered demoniacally possessed and

Religious

(continued from page 98)

Maybe the spreading Bible-thumping agenda is the will of God. More likely, the moral crusade is the goal of the most politically ambitious figures in the Religious Right.

subjected to exorcism."

The Seven Promises of a Promise Keeper, the movement's handbook, states that within accountability groups, "a man willingly grants other men the right to inquire about his relationship with God, his commitment to his family, his sexuality, financial dealings and relationships with others, believers and nonbelievers."

From child-rearing techniques to the temptations of cable TV's "sensual programming," the level of accountability varies from group to group.

Wayne, a Promise Keeper from Pennsylvania, discusses his struggle to remain sexually pure: "There's no use in kidding anybody. Lesbianism turns me on the most."

Wayne believes many Promise Keepers share his enthusiasm for an act "disgusting in God's eyes." Wayne reluctantly revealed his addiction to online sex chat to his accountability group. "I went in and shared. Their suggestion was, get rid of America Online." Wayne terminated his AOL subscription and believes the decision was for the best.

"Promise Keepers expects men to view accountability groups as the defining element in their lives," explains Russ Bellant. "Even their families are in submission to it." Bellant cites cases in which

entire families relocated based on the recommendations of accountability groups. "One man divorced his wife because his group believed her criticisms of Promise Keepers were demon-inspired."

Jerry Sloan fears that cell-group bonding entices the lukewarm and the lost to fall in line with the Christian Right's repressive crusade. "Accountability groups may tell these guys, 'If you vote for a pro-choice candidate, you are sinning against God.' That statement is inherently political and influences the political structure of this country."

The Christian Coalition need not distribute voter guides; the Bible provides all the necessary information.

Sex is, not surprisingly, the most clearly defined Promise Keeper issue of all. Steve, an Arkansas-based Promise Keeper, believes "pornography is a sin that detracts from marriage and must be controlled." Similarly, Wayne from Pennsylvania sees his appetite for lesbian erotica as the result of "what pornography can do to the mind of a child."

Wayne elaborates further on his belief about sexuality: "Jesus Christ created us only to have sex in marriage. AIDS did not come from the marriage bed."

Promise Keeper literature states that a successful men's ministry depends upon a

"Key Man." Key men are elected and trained by state Promise Keepers officials and serve "as the primary link between his church and Promise Keepers."

The cell groups are ultimately accountable to the organization's headquarters in Denver, Colorado. "Joe Promise Keeper doesn't stop to consider what he's doing," Sloan claims. "He just thinks, *This is what God wants me to do.*"

* * *

Maybe the spreading Bible-thumping agenda is the will of God. More likely, the moral crusade is the goal of the most politically ambitious figures in the Religious Right.

The Seven Promises of a Promise Keeper is published by pornography foe James Dobson's Focus on the Family organization. A conservative pop psychologist and author of *Emotions: Can You Trust Them?* and *When God Doesn't Make Sense*, Dobson is best known for wrenching an infamous deathwatch confession from serial killer Ted Bundy.

On the eve of Bundy's execution, the infamous killer blamed pornography for his brutal rape and murder sprees. Dr. Dobson prescribes censorship of lascivious materials to prevent child molestation, rape and murder.

Dobson attributes the destruction of the family to "those who despised the Christian system of values" and discounts overpopulation as "mythological." He predictably supports the ban of abortion and the restoration of religious activities to the public schools.

The porn-fearing Dobson's most ambitious proposal is a program to encourage wives to stay at home and raise children. Under his plan, the government would provide a \$7,000 income-tax deduction annually for each dependent. The cost to the taxpayer of maintaining traditional family values would be \$50 billion a year.

The coauthor of *Seven Promises of a Promise Keeper* is Bill Bright, head of Campus Crusade for Christ. Campus Crusade has been described as "an octopus with arms into everything." Based in Orlando, Florida, CCC staff actively recruits new Christian soldiers on approximately 650 U.S. college campuses and 470 overseas. The CCC plans to present the gospel to every living creature in the world by the year 2000. By 1996, Bright estimated that his ministry had reached about 270 million souls.

Campus Crusade is devoted to the worldwide distribution of the Bright-produced *Jesus*, a documentary-style video on the life of Christ. Bright claims *Jesus*

Anastasia is a 28-year-old nurse who digs music and night-clubs. The Orlando, Florida, native fantasizes about hooking up with "top female porn stars." No wonder they call Disney World the happiest place on Earth.

Luck be a lady tonight! Las Vegas, Nevada's Angelique enjoys "singing, dancing and playing ball." The 27-year-old dancer harbors a sinfully delicious fantasy of being "licked alive like a steaming hot-fudge sundae on the island of Jamaica." Miss Angelique definitely adds a touch of class to this month's randy roundup.

Daviana is a 23-year-old homemaker from Clearwater, Florida. The domestic goddess fancies "playing dress up, pleasing my playmate and making fantasies come true." Daviana plans to make her cinematic debut in a homemade videotape of "intense, kinky sex with my boyfriend." Isn't that how Demi Moore got started?

Photo by Boyfriend

Melieena Lix's pure-white lingerie belies her truly naughty nature. The 21-year-old exotic dancer from Greenville, South Carolina, wants guys everywhere to know that she and her girlfriend are hoping to score "a hard dick for our twosome." It pays to advertise, Melieena, especially in *Beaver Hunt*.

Faith calls Los Angeles, California, home. This ruthlessly ambitious, 23-year-old dental assistant lets nothing stand between her and her goals: "When I want something, I either do it or get it." Sex with a cute girl in a public place is next on fearless Faith's agenda. Who says today's youth are aimless slackers?

Allentown, Pennsylvania's Miss Chelle soothes her inner child with a charming stuffed animal. The 28-year-old hairstylist claims her favorite hobby is "my gorgeous husband," although shopping rates a close second. Miss Chelle's career ambitions involve making a "triple-X-rated movie" with her beloved spouse. Don't forget to write a part for Elmo, Miss Chelle.

Coco trades the hustle and bustle of her native New York, New York, for a hike in the wilderness. The hale and hearty 29-year-old social worker numbers "cooking, cliff diving and horseback riding" among her favorite activities. Coco's long-term goal is to have sex in the Black Forest of Germany. Sweet Coco is enough to turn any man into a chocoholic.

Raven-haired Mercedes evokes the legendary pin-up goddess Bettie Page. Dancing, traveling, music and singing keep her motor purring. Mercedes's hair may be retro, but her libido is purely 21st century. "Sex in the space shuttle with my boyfriend" is this ultramodern muff's idea of traveling in style. Mercedes is so far out, she's in.

Perky leather mistress C-Jay is a 19-year-old bank teller who cites sodomy as one of her extracurricular aerobic pastimes. The San Francisco, California, native fantasizes about "being raped by women wearing strap-on dildos." Thanks for liberating the sisterhood from oppressive male-authored stereotypes, C-Jay.

Good food, good meat, good gosh, let's eat! Curvaceous Alison proves once and for all that a nude woman's place is in the kitchen. The 24-year-old resident of Huntington Beach, California, dabbles in dancing and karaoke, but "naked skydiving with my boyfriend on a deserted beach" is next on Alison's to-do list. Sex with this domestic daredevil is not just an urge, it's an adventure.

Photo by Friend

Rough-and-tumble nudist Marie hails from Kansas City, Missouri. The shapely 25-year-old spends her spare time swimming and roller-skating. Los Angeles, California's Britney stays in shape by combining exotic dancing with the ancient discipline of martial arts. Dare to dream, Britney.

Photo by Boyfriend

Renee is a 25-year-old housewife from Des Moines, Iowa. Waterskiing, sunbathing and sex ignite her imagination. Renee is tantalized by the prospect of a threeway with her boyfriend and another woman. What will those wacky Midwesterners think of next?
Photo by Boyfriend

Beth, a self-employed exhibitionist from Las Vegas, Nevada, takes five on her luxuriously carpeted stairway. "Antiquing, pool and fucking" are 36-year-old Beth's hobbies. Has this laid-back lady been captured contemplating her favorite fantasy, sex with her husband and his best friend? Stay tuned.
Photo by Husband

Who would ever dream that Cincinnati, Ohio, would be home to such an exotic creature? Neicei, Neicei, is a 32-year-old traveling construction worker who loves "riding Harleys and pleasing my baby." The blue-collar vagabond desires a threesome with her man and another lucky swinger. Neicei, Neicei does have a nicer ring than nasty, nasty.

Shane

(continued from page 72)

footage of nonsexual activity conveys the idea that her actors are in her film by choice and not circumstance.

"Sex is supposed to be fun, right?" asks Shane. "If you show people having fun and show them having sex in the same movie, you increase credibility. Lots of porn has hot sex, but what better way to present it than to let the actors go wild and have some fun?"

Gonzo porn. If Shane didn't invent it, her series has perfected it.

On the way up the mountain, Ian Daniels bemoans the porn-as-play theory, citing the previous night's work as an example.

"I don't have any hang-ups," Daniels manages between pulls from his omnipresent pipe. "But it seems like every time I go on one of these things, there's always some chick who won't do this or won't do that. It's bullshit."

Daniels continues to vent. Randi won't spread her legs when he does her doggy-style. Two of the four girls are on the rag. Petra won't do boy/girl. He'll never get to fuck Shane now that she's married. Mostly, though, Daniels complains about the cold.

"Last month I was in the Caribbean for three weeks. I snorkeled every day, fucked every day and *got paid*."

Once on the slopes, Brittany makes a big production about who she shares a chairlift with, very similar to the production she made about who she rode the night before. After several keen diplomatic maneuvers by Shane, the cast of *Gone Snowboning* reaches the top of the run.

Brittany and the rest of Team Maybelline draw stares from weekend skiers as they flail on their rented equipment. Pro snowboarder Heidi offers help to the tottering porn stars, but what can she do?

At the bottom of the hill, Billy has returned from meeting with his parole officer. He passes out in the snow without saying a word. He's spent six hours driving, which is twice the amount of time he slept the night before.

Gone Snowboning needs more sex scenes, but Shane's actors want another crack at the mountain. Back in the San Fernando Valley, on the sets of most porn shoots, there would be no question: Rules are rules, and sex comes first. There would be no more fun.

But this is Shane's World, where fun comes first, and there are no rules. Led by Heidi, the cast leaves Billy, a supine and smelly-fingered snow angel, and makes its way to the lift line. Even Brittany is enjoying the snowboarding. ☹

Religious

(continued from page 106)

is the product of a "divine vision," and CCC missionaries testify that the film's "realistic" portrayals of Christ's crucifixion and resurrection inspire audience members to fall to their knees and spontaneously exorcise demons.

The propaganda film is translated into 400 languages and has been viewed by more than 850 million people in 219 countries. Bright calls the widely disseminated *Jesus* video "the single most effective tool for evangelism in the history of Christianity."

Bright preaches that Christians should be involved in government "from the precinct to the White House." Although the CCC head claims not to be politically active, in his book *The Coming Revival*, Bright urges Christians to "become actively involved in restoring every facet of society, including government, to the Biblical values of our Founding Fathers."

Censorship is also among the moral issues Bright has tackled. In 1988, the inspired filmmaker offered Universal Pictures \$10 million to destroy all copies of the movie *The Last Temptation of Christ*.

* * *

If, contrary to the intentions of our Founding Fathers, the Church becomes the State, are you ready for a government-sponsored confession?

James Dobson, Bill Bright and Jerry Falwell (along with Robertson and Reed) all belong to a conservative cabal called the Council for National Policy. A radical-Right strategizing committee founded in 1981, the Council for National Policy vows to make the "shared moral values" of the group dominant in domestic and foreign policy. Promise Keepers claims that organizations such as Focus on the Family and Campus Crusade are merely Christian groups heading toward the same goals.

The Religious Right's tireless resurgence is aided by underestimation of their determination and power. "After the end of the Moral Majority, progressives declared victory and went home," says Sloan. "Then the Christian Coalition was born, a hundred times stronger than the Moral Majority could ever hope to be."

The fight for Biblical supremacy will rage long after the year 2000 passes and the last copy of the *Jesus* video is given away. The war will continue as long as the exercise of Constitutional freedoms is viewed as a violation of Biblical truth by fanatical right-wing crusaders. For the rest of us, the preservation of those freedoms is a lifelong struggle. ☹

"So—are you an abused spouse, or were you a guest on *Jerry Springer*?"

Sexual Aides

The Xandria Catalogue for ordering without embarrassment or disappointment.

You can use sex toys to enhance, to intensify, to rejuvenate, to play, or just as a special treat. Perhaps that's why 50 million Americans are favorably disposed to vibrators and other sex toys—according to the "Sex in America" survey.

More than a catalogue. The Xandria Collection is more than a catalogue of sensual delights. It celebrates new possibilities for pleasure and loving—perhaps many that you never knew existed!

Rely on our 100%, three-way Guarantee. For 23 years our customers have felt comfortable with us because:

1. We guarantee your privacy. Everything we ship is plainly packaged and securely wrapped with no clue as to its contents. Transactions are strictly confidential—we never sell, give, or trade the name of any customer.

2. We guarantee your satisfaction. If a product seems unsatisfactory, simply return it within 60 days for a prompt replacement or refund.

3. We guarantee that the products you choose will keep giving you pleasure. Should it malfunction, just return it to us for a replacement.

We'll mail your catalogue to you within 24 hours! Send for your catalogue now, and we'll apply its \$4.00 price when you place your first order. Welcome to a new world of enjoyment.

Now Possible!

PENIS ENLARGEMENT TO MAXIMUM POSSIBLE SIZE!

MEN REPORT NEW DIMENSIONS OF 9 INCHES... 10 INCHES... EVEN AS MUCH AS 12 FULL INCHES!

You'll see **VISIBLE RESULTS** the **VERY FIRST TIME** you use this system... See how **FAT**, how **LONG**, and how **HARD** and stiff your own penis can become!

THE WORLD'S FIRST "RESULTS-ORIENTED" SYSTEM: Tested and Proven to give you **MAXIMUM GAINS** in **MINIMUM TIME!**

"I couldn't believe it at first; how big it got in so little time. I had to blink my eyes... was that huge, throbbing pole in the tube REALLY my penis? Well... it was, and since that time I have used the **MAGNUM PRO** to make it **BIGGER** and **BIGGER** every time. Working out with the **MAGNUM PRO** is addictive..."

-Brad Pomeroy, Milwaukee, WI

Extensive research brings you a system that takes the guesswork out of enlargement. We are the only system that incorporates: a state-of-the-art pump (2 models available), PLUS a patented "erection sentry," PLUS an instructional manual on maximum enlargement techniques and **ALL THIS** at a price that is literally 1/10 of what you would expect to pay.

VISIBLE GAINS IN SIZE:

GETTING THEM is only half of the battle; **KEEPING THEM** is why we're the best.

The male erection is caused by blood flowing into hollow caverns in the penis. The caverns fill with blood and the penis grows in size and thickness, becoming stiffer as well. Our system not only enables any man to increase the capacity of these caverns by allowing them to hold more blood, but our revolutionary **SENTRY Prolong Ring** allows you to keep that **FAT, BULGING, ROCK-HARD ERECTION for as long as you want.** When you've pumped yourself up to the size you like, slide the **SENTRY** onto the base of your penis and let it stay there, guarding, maintaining, keeping your **POWERFUL, THROBBING ERECTION** through intercourse and beyond. When you are satisfied, you simply release the **SENTRY** with one hand! It's that simple!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all that the **EXCELO System** with **SENTRY Prolong Ring** does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system (2 models to choose from) is a truly unbelievable bargain at the price offered.

THE BEST OF BOTH WORLDS:

ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE - THE EXCELO SYSTEM GIVES YOU BOTH!

Made in the U.S.A., these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

2 MODELS: ONE TO FIT ANY BUDGET, ANY REQUIREMENT

NOTE: All pump models include "MAXIMUM GAINS" How-to instructional manual.

PENIS ENLARGEMENT SYSTEM

DR. BROSS INSTITUTE FOR SEXUAL ENHANCEMENT Professional and Complete PENIS ENLARGEMENT SYSTEM

Professional Instruction and Professional Products to help you and guide you every step of the way to a longer, thicker, and harder penis now! Our customers tell us 9 inches... 10 inches... even a **BIG 12 INCHES** is possible!

My name is Dr. Bross and I have discovered the Complete Penis Enlargement System that can help you enlarge your penis. The penis vacuum pump is also becoming the #1 medical treatment for impotence, premature ejaculation, increase sex drive and sexual performance.

15 inch Dick
Rambone in the

Erotic
Penetrations

THE WORLDS LARGEST SELLING PENIS ENLARGEMENT SYSTEM USED SUCCESSFULLY FOR OVER 30 YEARS WITH OVER 15 MILLION SATISFIED CUSTOMERS.

WHY MY COMPLETE PENIS ENLARGEMENT SYSTEM WILL WORK FOR YOU WHERE OTHERS FAIL.

If you have tried other pumps in the past without success I am sorry that you have been disappointed. But if you are serious about penis enlargement, increasing your penis length, thickness and hardness I recommend 100% the penis enlargement systems shown here that you can buy direct from the manufacturer without a prescription and save hundreds of dollars.

WHAT YOU NEED TO HAVE A LONGER, THICKER AND HARDER PENIS.

1. The Best Penis Vacuum Pump. Squeeze bulb and short stroke centric or center push pumps create a minimum amount of vacuum. Used possibly for masturbation but not for the vacuum that is required to enlarge your penis. To be successful you need our Penis Pumps with the exclusive **POWER VACUUM CONTROLLER** that adjusts the right amount of vacuum for your Penis Enlargement.

2. Easy To Follow Professional Instructions. We do not ship to you a small piece of paper with instructions on how to use the pump and then leave you guessing on its proper use. Please do not be misled. Without professional instruction there just isn't any easy 1-2-3 method for penis enlargement. Instead I have produced a **Professional Instructional Video and Magazine** that shows you step by step everything you need to know to be successful. Only after you learn my penis enlargement methods by watching the video and magazine it will then seem as easy as 1-2-3. I have sold millions of my videos and magazines. Because of this volume my cost is only one dollar for the video and magazine and it is not for sale. My penis enlargement instructions without the best penis vacuum pump cannot help you. I include it **Free** with the purchase of any of my **Professional Penis Vacuum Pumps**. Now you have the combination you need for your successful penis enlargement, the best professional pump and professional instruction.

MOST MEN DO NOT REQUIRE A PROLONG OR ERECTION RING.

However, there are some men who would like to maintain an erection for a considerable length of time. You must not use a fixed size tight fitting plastic ring around your penis when you use a penis pump. You could restrict the blood flowing into your penis. Instead, I offer to you **Free** with any penis enlargement system a **Comfort Fit Erection Ring** that will adjust to fit any size penis.

HOW DOES THE ENLARGEMENT PROCESS WORK?

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both woman and men. He is responsible for the production of numerous educational sex videos.

The penis about 3 inches is inserted into the clear tube.

After instruction and pumping this man has enlarged his penis to about 10 inches.

After more pumping the penis is removed from the tube and the penis is about 11 inches.

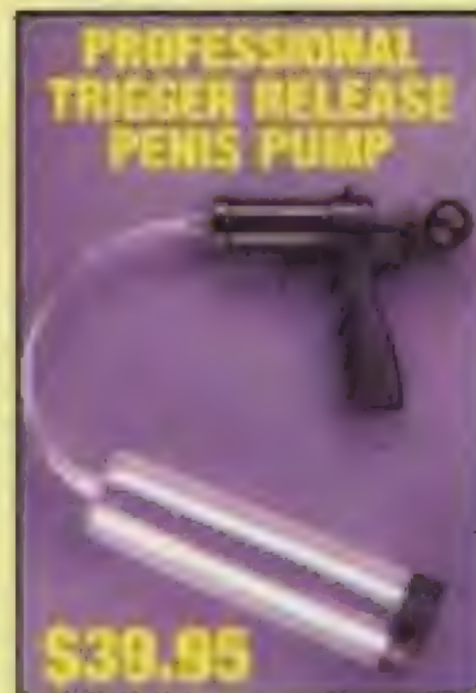

Even when the pump is not used the penis "hangs" thicker and longer.

WHAT MY PENIS VACUUM SYSTEM CAN DO FOR YOU.

Increase penis length and thickness ■ Stimulate a harder and more powerful erection ■ Exclusive design helps maintain your erection for as long as you wish without an erection ring (use my Comfort Fit Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm

The "original" and the worlds largest selling penis vacuum pump. Extra long 10 inch piston assembly.

Exclusive design. One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer thicker and harder penis.

Professional Battery Powered Premium Penis Pump

The Original. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for penis enlargement.

Important Exclusive Features. The self-contained motorized unit can be removed to clean the clear tube. Other pumps have the motor, wires and batteries attached to the tube and with use and cleaning can rust and damage the motor and batteries.

\$42.95

One hand operation. Comfort fit grip to squeeze the lever so you can operate the power piston.

FREE WITH EVERY COMPLETE PENIS ENLARGEMENT SYSTEM.

Instructional video and magazine ■ Adjustable Comfort Fit Erection Ring ■ Our color catalog with over 160 products for men and woman to improve your sex and lovemaking. Includes your choice of Free Products.

Fantasy Ball

PHOTOGRAPHY BY HENRY MOORE

"I'm usually the wallflower at parties," says Natalie. "Unless I can wear a costume. Dressing up gives me the confidence to talk to anyone. After a few minutes at the masquerade party tonight, I was holding court at the punch bowl. A nice, older gentleman named Gerald gave me the key to his hotel room." Natalie removes her mask and slowly pushes a black, silk stocking down her leg. "Gerald told me I was the sexiest woman at the ball. I hope he feels the same way when he sees me without my disguise."

SPAIN

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in A DRAMATICALLY LONGER, THICKER ERECTION. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be too!

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... keeping it is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the biggest size possible in the shortest amount of time. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. **IMPORTANT!** All professional medical vacuum pumps (including \$500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry GIVES YOU COMPLETE ERECTION CONTROL!

ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!

According to U.S. News and World Report, our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring, is such an incredible value!

ALL PUMPS DISCREETLY SHIPPED VIA FEDERAL EXPRESS OR PRIORITY MAIL!

That's Why We Say... THE SUPRA-12 SYSTEM IS AS EASY AS 1-2-3!

NO SYSTEM IS FASTER - OR MORE FOOLPROOF! It's impossible to fail using the SUPRA-12 SYSTEM to increase your genital measurements. With the help of the SENTRY PROLONG RING and medical research has proven that only a prolong ring can maintain an erection, enlarging your penis and maintaining the new, thick and long dimensions becomes effortless!

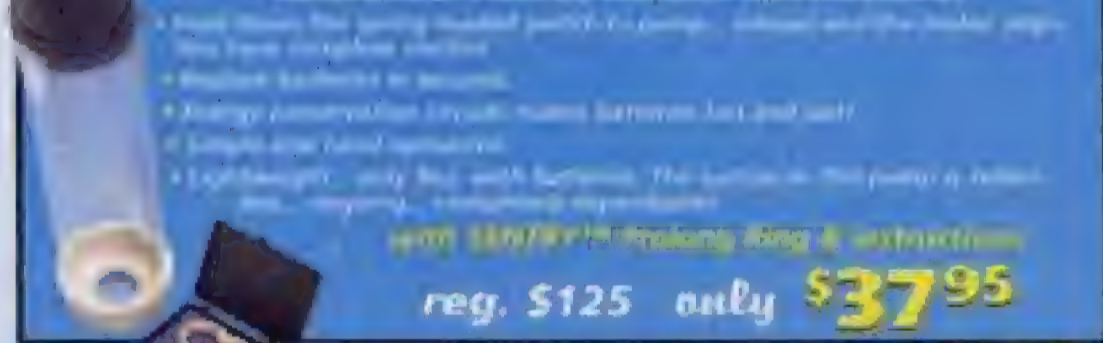

1 Start out with any flaccid (soft) penis, on any man, ANY SIZE or shape. Insert into the sleeve of the dynamic new SUPRA-12 with the patented new Sentry™ Prolong Ring.

2 Start the amazing vacuum action, see your formerly limp, small penis start to GROW... AND GROW... AND GROW... right before your eyes, LONG, THICK and FAT beyond belief!

3 When you reach your desired size, simply slip the patented Sentry™ Prolong Ring onto the base of your penis. You can maintain that fat, bulging erection for as long as you like!

HUSTLER

PIMP OF THE PERVERSE

Pussy phantoms and ass apparitions in October HUSTLER will send shivers of excitement down every live man's trousers. Two blondes nail the skills needed to earn a living with the meat hammer of a well-hung carpenter. An Amazon goddess struggles with civilization's rules and regulations. She allows her savage side to romp in the lush, humid jungle between her butter-soft thighs. An exotic-eyed beauty, drunk on lust, douses the fire between her legs with a well-placed bottle. Scandalous stepsisters trade secrets and toys. They share a bond that plunges deeply into their sopping souls. October HUSTLER scares the panties off tantalizing tricks and sweet treats.

CARNAL CARNAVAL

During Carnival, Brazil's yearly festival of flesh, scantily clad party girls and beach bunnies in butt floss pack the cobblestone streets to dance, drink and binge on sin. An exotic mix of European, African and Asian descent, the jaw-dropping, barely legal Brazilian babes peddle filthy pleasures for pennies during the weeklong orgy. Foreign correspondent Mack Assarian ventures to HUSTLER's newest outpost in Rio de Janeiro to sample the wide variety of cunt cuisine from a country that advertises sex as the national pastime. Gorge at the booty buffet in *Carnaval in Rio: Brazilian Whores Welcome HUSTLER to the Flesh Fiesta*.

BORN-AGAIN WHORES

The Zion Society, a Utah-based, Mormon-inspired polygamist group, encourages church members to demonstrate their faith in God by copulating with multiple partners. Founder Arvin Shreeve claims that individual growth and spirituality depend on the practice and perfection of straight, oral and anal intercourse. A woman's sole purpose is to provide pleasure to the men of the church. Male members require an extensive selection of attractive partners for daily worship. The Zion women, known as the Sisters Council, comb local hangouts for young, fresh flesh to seduce into the secretive sect. Attend a sex cult's service in *Lust in Zion: Latter Day Sinners Devoted to Debauchery*.

GASH GOBLIN

October's *Sex Play*, "The ABC of S&M," whips readers into shape with an introductory lesson in dominance, submission, bondage and discipline. *Erotic Entertainment* features Jon Dough's successor to the title of the World's Luckiest Man. *Bits & Pieces* spews Jesus Christ's favorite beverage and squashes the Volkswagen Beetle. *Beaver Hunt* invites readers to covet thy neighbor's snatch. Grab your sack, and let the one-eyed monster escape and wreck havoc. October HUSTLER doles out the sweetest eye candy around.

October HUSTLER on sale July 29, 1998.
